Safety Instruction Guide for REAR SLIDE CAP FOR SIG SAUER P365

Introduction

Thank you for choosing the Tyrant Designs Rear Slide Cap for the Sig Sauer P365. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is compatible with your specific firearm model (P365, P365X, P365XL).
- Always handle firearms with care and follow all standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any damage before installation. Do not use if damaged.
- Report any unsafe conditions to the relevant authorities.

Specific Safety Precautions for Use

- Only use the Rear Slide Cap as intended; do not modify or alter the product.
- Ensure that the firearm is unloaded before installation or removal of the Rear Slide Cap.
- Avoid using the product in extreme temperatures or harsh environments.
- If you experience any issues during installation or use, cease use immediately and seek assistance.

Instructions for Installation and Usage

1. Prepare the Firearm:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing slide cover plate from the firearm.

2. Install the Rear Slide Cap:

- Align the Rear Slide Cap with the rear of the slide.
- Press the cap firmly into place until it is securely fitted.
- Ensure that there are no gaps between the cap and the slide.

3. Check the Installation:

- Verify that the Rear Slide Cap is securely attached and does not move.
- Conduct a function check of the firearm to ensure proper operation.

4. Regular Maintenance:

- Periodically inspect the Rear Slide Cap for wear or damage.
- Clean the cap as necessary to maintain its appearance and functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste; check for recycling options.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent harm.

Contact Information for Further Support

For any inquiries or concerns regarding the Rear Slide Cap, please refer to the manufacturer's contact information included with your product packaging. Always ensure that you have the right support for your safety needs.

By following these safety instructions, you can ensure the safe and effective use of your Tyrant Designs Rear Slide Cap for the Sig Sauer P365. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
