

EXOMAG 9MM LUGER RIFLE MAGAZINE - MEAN ARMS EXOMAG 9MM LUGER 10 ROUND WITH EJECTOR BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The MEAN ExoMag is designed to be the most reliable and best feeding 9mm magazine for use with a standard AR lower. The ExoMag has a STANAG magazine outer shape. Add the 9mm upper of your choosing to function with a Glock or Colt variant 9mm BCG. Mean offers both a version with an EJECTOR (for standard blowback bolts) and an EJECTORLESS version (for our Bearing Delay and CMMG Radial Delay systems). All ExoMag models include the last round bolt-hold open feature, as any AR-15 should. Bearing Delay Upper owners: Customers with the Bearing Delay system should select the "Ejectorless" option in the "ExoMag Package Selection" option above. CMMG Radial Delay owners: If you have a CMMG Radial Delay firearm, select the "Ejectorless" option in the "ExoMag Package Selection" option above. ExoMag features: Facilitates quick and easy caliber change from .223/5.56 to 9mm Functions as a magazine! No magwell adapter needed! Keep your standard 5.56 Multi Caliber lower receiver! Comes fully assembled. No tools required. Build and maintain your muscle-memory for reloads and other training from your 5.56 firearms! Same STANAG magazine, same draw, same feel. No learning curve when reloading because it is the same magazine you already use! Use most of your STANAG mag accessories: i.e. mag pouches, storage racks, decals, caliber indicators, etc. Not a picky eater. Shoots all 9mm ammo - hollow points included. It is exclusively the customer's responsibility to be aware of all applicable laws and regulations regarding the purchase and ownership of magazines and the capacities thereof. Customers residing in states with intrusive laws who purchase standard capacity magazines may have their order canceled without warning. Key Specs: No modifications to your 5.56x45 lower receiver! Changing calibers is now simply a complete 9mm upper for your AR platform. No nuts, no bolts, no drilling, no bull. Last round bolt-hold open feature, just as an AR-15 should function. Specially formulated polymer.

EXOMAG 9MM LUGER RIFLE MAGAZINE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the EXOMAG 9MM LUGER RIFLE MAGAZINE by MEAN ARMS. This safety instruction guide is designed to ensure the safe and effective use of your magazine. Please read this document carefully to understand the safety guidelines, precautions, and proper usage instructions. Your safety and compliance with regulations are our top priorities.

General Safety Guidelines

- Always treat every firearm and magazine as if they are loaded.
- Store magazines and firearms securely and out of reach of children and unauthorized users.
- Be aware of local laws and regulations regarding the ownership and use of magazines.
- Inspect the magazine regularly for any signs of wear or damage before use.
- Use only compatible 9mm ammunition, including hollow points.
- Do not modify the magazine in any way.
- Always follow the manufacturer's instructions for installation and use.

Specific Safety Precautions for Use

- Ensure that the magazine is fully seated in the firearm before attempting to fire.
- Do not attempt to load the magazine with more rounds than its specified capacity (10 rounds).
- Avoid using the magazine in firearms not designed for its specifications.
- Be cautious when handling the magazine, especially during loading and unloading.
- If the magazine jams or malfunctions, follow safe procedures to clear the firearm and inspect the magazine.
- Never point the firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Align the magazine with the magazine well of the AR lower receiver.
- Push the magazine into the magazine well until it clicks into place securely.

2. Loading:

- Hold the magazine with the feed lips facing upward.
- Using your fingers, press down on the follower and insert 9mm cartridges one at a time.
- Do not exceed the magazine's capacity of 10 rounds.

3. Usage:

- After loading, insert the magazine into the firearm as described in the installation section.
- Ensure the firearm is in a safe firing position before pulling the trigger.
- After firing, ensure the magazine is removed safely from the firearm.

4. Maintenance:

- Regularly clean the magazine to prevent dirt and debris buildup.

- Inspect the magazine for any signs of wear or damage.
- Store the magazine in a cool, dry place when not in use.

Disposal Instructions

- Dispose of damaged or unusable magazines in accordance with local regulations.
- Do not throw magazines in regular trash; contact local waste management for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding your EXOMAG 9MM LUGER RIFLE MAGAZINE, please refer to the manufacturer's website or customer service resources for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your EXOMAG 9MM LUGER RIFLE MAGAZINE. Always prioritize safety and compliance with applicable laws. Thank you for your attention to these important guidelines.
