

PRECISION 6.5 CREEDMOOR RIFLE BARREL FOR AR-15 - SONS OF LIBERTY GUN WORKS PRECISION 6.5CM 18" V2H PROFILE 5/8X24 THRD 1-7.5 TWIST

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

SONS OF LIBERTY PRECISION 6.5 CREEDMOOR RIFLE BARREL FOR AR-15 The SOLGW PRECISION barrels are unquestionably the most accurate barrels they've ever offered. Optimized for accuracy, the SPR contour and 5/8×24 threads at the muzzle are by no means lightweight, but they are routinely shooting 1/2MOA groups with multiple types of ammo. The PRECISION series is 416R stainless steel, black oxide coated, and cut with polygonal rifling. Please note that these barrels will have a shorter lifespan than the 4150CMV barrels, however the SOLGW warranty still applies. If you can manage to shoot one out, they'll still replace it for you free of charge.

Safety Instruction Guide for PRECISION 6MM CREEDMOOR RIFLE BARREL

Introduction

Thank you for choosing the PRECISION 6MM CREEDMOOR RIFLE BARREL from SONS OF LIBERTY GUN WORKS. This guide provides essential safety instructions to ensure the safe use of your rifle barrel. Please read and understand all instructions before using the product.

General Safety Guidelines

- Ensure that all users are familiar with firearm safety protocols.
- Store the barrel in a safe, dry place away from unauthorized users, especially children.
- Regularly inspect the barrel for any signs of damage or wear before use.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Follow local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only compatible ammunition as specified for the 6.5 Creedmoor cartridge.
- Do not exceed the recommended barrel weight limits for your firearm.
- Avoid using the barrel in conditions that may expose it to extreme temperatures or moisture.
- Be aware of the muzzle threads (5/824) and ensure they are properly fitted to your firearm.
- Ensure the twist rate (17.5) is suitable for the type of ammunition you are using.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the firearm following the manufacturer's instructions.
- Clean the barrel extension and receiver to remove any debris.
- Align the new barrel with the receiver and ensure the muzzle threads are properly engaged.
- Secure the barrel using the appropriate tools and follow the torque specifications provided by the firearm manufacturer.
- Doublecheck the alignment and ensure all components are properly fitted.

2. Usage:

- Before firing, check that the firearm is in good working condition.
- Load the firearm with compatible 6.5 Creedmoor ammunition.
- Always maintain a proper shooting stance and ensure the area is clear of obstructions and bystanders.
- After firing, allow the barrel to cool before cleaning or inspecting it.
- Regularly clean the barrel according to the manufacturer's guidelines to maintain accuracy and prolong lifespan.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.

- Contact local authorities for proper disposal methods for firearms parts.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the PRECISION 6MM CREEDMOOR RIFLE BARREL, please refer to the manufacturer's website or customer service resources.

Thank you for prioritizing safety and responsible firearm usage. Enjoy your shooting experience with the PRECISION 6MM CREEDMOOR RIFLE BARREL.
