# Safety Instruction Guide for PREMIUM SLIDES FOR GLOCK® GEN 13

## Introduction

Thank you for choosing the PREMIUM SLIDES FOR GLOCK® GEN 13 by Brownells. This guide provides essential safety instructions and guidelines to ensure the proper and safe use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only with compatible Glock® frames (Gen 1 to Gen 4).
- Always handle firearms and firearm components safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the slide for any signs of damage or wear.
- If you notice any defects or malfunctions, cease use immediately and seek assistance.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Ensure the firearm is unloaded before beginning any installation.
  - Use appropriate tools for installation to avoid damaging the slide or the firearm.
- **Optic Mounting:**
  - When mounting optics, ensure that all screws are tightened to the manufacturer's specifications.
  - Use the provided screws for mounting optics and shorter screws for mounting a cover plate.
- **Channel Liners:**
  - Channel liners are required for these slides and must be installed using the appropriate tool.
  - Channel liners are sold separately; ensure you have the correct model for your slide.
- **Threaded Bosses:**
  - The mounting bosses are threaded 440 tpi; ensure compatibility with your optic.
- **Durability:**
  - The slide is made from premium heattreated 174 stainless steel and coated with black nitride for durability.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components before starting the installation.
- Ensure your work area is clean and free of distractions.

### 2. Remove the Existing Slide:

- Unload your Glock® firearm.
- Follow the manufacturer's instructions to safely remove the existing slide.

### 3. Install the Premium Slide:

- Align the Premium Slide with the frame of your Glock®.
- Slide it into place until it is fully seated.

### 4. Install the Channel Liner:

- Use the channel liner tool to press the channel liner into place.
- Ensure it is securely fitted.

#### **5. Mount Optics (if applicable):**

- Position your optic onto the slide.
- Use the provided screws to secure the optic, ensuring they are tightened properly.

#### **6. Final Checks:**

- Inspect the installation to ensure everything is fitted correctly.
- Conduct a function check to ensure the slide operates smoothly.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the slide is damaged beyond repair, check local regulations for proper disposal methods for firearm components.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's website or customer support channels.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority. Always use caution and follow best practices when handling firearms and their components.
