Safety Instruction Guide for PREMIUM SLIDES FOR GLOCK® GEN 13

Introduction

Thank you for choosing the Premium Slides for Glock® GEN 13. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read and understand this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle your firearm and its components safely and responsibly.
- Keep firearms and components out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for any signs of wear or damage.
- Do not modify the slide or firearm in any way that is not recommended by the manufacturer.
- In case of any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Before installation, ensure the firearm is unloaded and the magazine is removed.
- Wear eye protection when handling or working with firearms.
- Do not attempt to install the slide if you are unsure about the process. Seek professional assistance if needed.
- Use the correct tools as specified in the installation instructions.
- Ensure that all screws are tightened to the manufacturer's specifications to prevent any parts from loosening during use.
- Be aware of the potential hazards associated with the use of optics; ensure that they are securely mounted and checked regularly.
- If using the slide with an optic, ensure that the optic is compatible and properly fitted to avoid accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your Glock® firearm is completely unloaded and that the magazine is removed.
- Gather necessary tools, including a channel liner tool (sold separately) and screws for mounting.

2. Remove the Old Slide:

- Disassemble your Glock® according to the manufacturer's instructions.
- Carefully remove the existing nonMOS OEM slide from the frame.

3. Install the Premium Slide:

- Align the Premium Slide with the frame of your Glock®.
- Gently press the slide onto the frame until it is fully seated.
- Ensure that the slide operates smoothly without obstruction.

4. Attach Optics (if applicable):

- If using an optic, attach it to the slide using the provided screws.
- Ensure that the screws are tightened to the specified torque (440 tpi).

5. Install Channel Liner:

- Insert the channel liner into the slide using the channel liner tool.
- Ensure that the channel liner is securely fitted; refer to the separate instructions for installation if needed.

6. Final Check:

- Once the installation is complete, conduct a thorough inspection of the firearm.
- Test the slide's movement and functionality before use.

7. Usage:

- Follow standard firearm safety practices during use.
- Regularly check the slide and optic for any signs of wear or damage during use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the Premium Slide becomes damaged beyond repair, consult local waste management guidelines for the disposal of metal components.
- Do not dispose of any firearm parts in regular household waste.
