M4E1 PRO Stripped Lower Receiver Safety Instruction Guide

Introduction

Thank you for choosing the M4E1 PRO Stripped Lower Receiver by Aero Precision. This guide provides essential safety information and instructions to ensure the safe use and installation of your lower receiver. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you are of legal age to purchase and use firearms in your jurisdiction.
- Always treat the lower receiver as if it is loaded.
- Keep the lower receiver and all firearm components out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Familiarize yourself with all local laws and regulations regarding firearm ownership and use.
- Regularly inspect your lower receiver for any signs of damage or wear. If damaged, do not use it.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not modify the lower receiver in any way that could affect its safety or functionality.
- Ensure that all components are compatible with your lower receiver and are of milspec quality.
- Use only the recommended tools and methods for installation to avoid injury or damage.
- Always verify that the firearm is unloaded before performing any maintenance or installation tasks.
- Be aware of your surroundings and ensure that you are in a safe environment when handling the lower receiver.

Instructions for Installation and Usage

1. Unboxing and Inspection

- Carefully remove the M4E1 PRO Stripped Lower Receiver from its packaging.
- Inspect the receiver for any visible damage or defects. If any issues are found, do not proceed with installation.

2. Installation of Components

- Gather all necessary components for installation, including:
 - Bolt Catch Assembly
 - Magazine Release Assembly
- Follow the manufacturer's instructions for installing each component. Ensure that all parts are securely fastened and properly aligned.

3. Compatibility Check

- Confirm that all installed components are compatible with your lower receiver.
- Use only milspec parts to ensure optimal performance and safety.

4. Final Inspection

- After installation, perform a final inspection to ensure that all components are installed correctly.
- Check that the lower receiver operates smoothly and that all controls function as intended.

5. Usage Guidelines

- When using your firearm, always follow the basic safety rules of firearm handling:
 - Keep the muzzle pointed in a safe direction.
 - Keep your finger off the trigger until ready to shoot.
 - Be sure of your target and what is beyond it.

Disposal Instructions

- When disposing of your M4E1 PRO Stripped Lower Receiver, follow local regulations regarding the disposal of firearm components.
- If the lower receiver is no longer usable, consider contacting a licensed firearms dealer for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the M4E1 PRO Stripped Lower Receiver, please refer to the product packaging for the manufacturer's contact information. Always ensure that you are reaching out through official channels for safety inquiries and support.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is paramount when handling firearms.
