DPB Muzzle Brake Safety Instruction Guide

Introduction

Thank you for purchasing the DPB Muzzle Brake from Rearden Manufacturing Group LLC. This guide provides essential safety instructions and guidelines to ensure the proper use and maintenance of your muzzle brake. Please read this document carefully before installation and use.

General Safety Guidelines

- Always ensure that the muzzle brake is compatible with your firearm and accessories.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Inspect the muzzle brake for any damage before use. Do not use if damaged.
- Keep the muzzle brake and all firearm accessories out of reach of children.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to malfunction or damage to the firearm.
- Using the muzzle brake with incompatible devices may void the warranty.
- Ensure that the muzzle brake is securely fastened to avoid detachment during use.

- **Instructions for Avoiding Hazards:**

- Always use an alignment rod to ensure proper setup.
- Clean all surfaces before installation to avoid contamination.
- Ensure the muzzle device is torqued to approximately 30 ft lbs and rockset to the barrel.
- When attaching the silencer, ensure that threads and tapers are clean.
- Torque the suppressor to 10 ft lbs and check for alignment.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: alignment rod, torque wrench, and cleaning materials.
- Ensure your workspace is clean and free of distractions.

2. Installation:

- Clean the barrel and muzzle device surfaces thoroughly.
- Align the muzzle brake with the barrel using the alignment rod.
- Securely fasten the muzzle brake to the barrel, torquing it to approximately 30 ft lbs.
- Apply Rockset to the barrel to ensure a secure bond.

3. Attaching the Silencer:

- Clean the threads and tapers of both the muzzle brake and silencer.
- Carefully screw the silencer onto the muzzle brake.
- Torque the silencer to 10 ft lbs to ensure proper fit.
- Doublecheck alignment before use.

4. PostInstallation:

- Inspect the installation to ensure everything is secure and properly aligned.
- Test the setup in a safe environment to ensure functionality.

Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations.
- Do not dispose of in regular household waste if it contains hazardous materials.
- Contact local waste management authorities for proper disposal methods.
