ICARUS BLAST DIFFUSER FDE

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

ICARUS BLAST DIFFUSER The Icarus is a blast diffuser designed to work with all Rearden muzzle devices. This blast diffuser will assist in sending blast and concussion down range, as well as serve as a thread protector for your muzzle devices when shooting unsuppressed. This is not a flash hider, and has no flash hiding capabilities. FEATURES: 17-4 PH Compatible with all Rearden muzzle devices, as well as any other Plan B style muzzle device. Nitride OR PVD coating No Atlas needed Weight and Length: Weight: 4.5 oz Length: 3.3" For use with projectiles .355 (9mm) and less in diameter INSTALLATION These blast diffusers fit over plan B style muzzle devices. Always use an alignment rod to ensure that the entire system is set up correctly. Make sure all surfaces are cleaned and the muzzle device has been torqued and Rockset to the barrel. Torque the muzzle device to approximately 30 ft lbs. Make sure the muzzle device is square against the shoulder. When setting the blast diffuser on the muzzle device, ensure that the threads and tapers are clean. Do not exceed 10 ft lbs of torque on the Icarus. Ensure alignment. Enjoy. *End cap is removeable, but will come Rockset out of the box.

Icarus Blast Diffuser Safety Instruction Guide

Introduction

Thank you for choosing the Icarus Blast Diffuser by Rearden Manufacturing Group LLC. This product is designed to enhance your shooting experience by directing blast and concussion downrange while also serving as a thread protector for your muzzle devices. Please read this safety instruction guide carefully to ensure safe and effective use of the Icarus Blast Diffuser.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Icarus Blast Diffuser by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about product recalls. Check regularly for updates regarding the Icarus Blast Diffuser on the EU Safety Gate platform.
- **Online Shopping:** If purchased online, ensure you are buying from a reputable source that meets safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the designated contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to accidents or injuries.
 - Overtorquing the Icarus Blast Diffuser may cause damage or malfunction.
 - Failure to ensure alignment may lead to misfires or other safety issues.
- **Instructions for Avoiding Hazards:**
 - Always use an alignment rod during installation.
 - Do not exceed the recommended torque specifications.
 - Regularly inspect the diffuser for signs of wear or damage before use.
- **AgeSpecific Warnings:**
 - This product is designed for adult use only. It is not suitable for children or inexperienced users.

Instructions for Installation and Usage

1. Preparation:

- Ensure all surfaces are clean before installation.
- Verify that the muzzle device is properly torqued and secured to the barrel using Rockset.

2. Installation:

- The Icarus Blast Diffuser fits over Plan B style muzzle devices.
- Use an alignment rod to ensure the system is set up correctly.
- Make sure the muzzle device is square against the shoulder.
- Before attaching the diffuser, clean the threads and tapers.

3. Torque Specifications:

- Torque the muzzle device to approximately 30 ft lbs.
- Do not exceed 10 ft lbs of torque on the Icarus Blast Diffuser.

4. Final Checks:

- Ensure proper alignment after installation.
- Enjoy safe shooting with your Icarus Blast Diffuser.

Disposal Instructions

- Dispose of the Icarus Blast Diffuser in accordance with local regulations regarding metal products.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Icarus Blast Diffuser, please refer to the manufacturer's contact point provided with your purchase. Ensure you have your product details on hand for efficient assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Icarus Blast Diffuser. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
