# SCT Billet Magwell Safety Instructions

## Introduction

Thank you for choosing the SCT Billet Magwell for your SCT SC Polymer Frame. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the SCT Billet Magwell is compatible with the SCT SC frame only.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or defects before installation. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories.
- Use proper safety equipment when handling firearms.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for any recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or removing the magwell.
- Avoid using excessive force during installation to prevent damage to the product or the firearm.
- Do not modify the magwell in any way, as this may compromise safety and performance.
- Ensure that the set screw is tightened to the specified torque of 5 inch/lbs max to prevent the magwell from loosening during use.
- Use thread locker as necessary to secure the set screw (note: thread locker is not included).
- Always verify the functionality of the magwell after installation before using the firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your SCT SC frame is clean and free from debris.
- Gather necessary tools: a 5/64" Allen wrench for the set screw.

### 2. Installation Steps

- Remove any existing accessories from the SCT SC frame.
- Align the SCT Billet Magwell with the frame, ensuring it fits correctly.
- Insert the set screw (256x3/16") into the designated hole on the magwell.
- Using the 5/64" Allen wrench, tighten the set screw to a maximum torque of 5 inch/lbs. Do not overtighten.
- If using thread locker, apply it to the set screw before installation.

### 3. Usage

- After installation, test the magwell by inserting and removing magazines to ensure smooth operation.
- Familiarize yourself with the enhanced grip and magazine change capabilities provided by the magwell.

## **Disposal Instructions**

- Dispose of the SCT Billet Magwell according to local regulations regarding metal waste.
- If the product is damaged or no longer in use, ensure it is disposed of safely to prevent accidental use.

## **Contact Information for Further Support**

For any questions or concerns regarding the SCT Billet Magwell, please refer to the manufacturer's contact information provided with the product packaging. Ensure you have the product details ready for efficient assistance.

Thank you for prioritizing safety and compliance while using the SCT Billet Magwell. Enjoy your enhanced shooting experience!
