GOLDEN BOY DELUXE ENGRAVED 4TH EDITION 17 HMR LEVER ACTION RIFLE

No firearm collection is complete without a Henry Golden Boy, and for the most discerning collectors, a Henry Golden Boy Deluxe Engraved Edition. Now in its fourth rendition, this limited-edition rifle elevates the legendary Golden Boy to what can only be described as a functional work of art. For centuries, firearms have been the canvas for Old World artisans to showcase their craft. The likes of Gustave Young, Louis Nimschke, the Ulrich brothers, and others have propelled this practice to new heights, with their work now adorning some of the world's most prestigious art and history museums. Today, Henry Repeating Arms proudly honors their craft and carries on this rich tradition with modern-day masters of hammer and chisel, connecting you to this rich heritage. The Golden Boy Deluxe Engraved 4th Edition rifle is a masterpiece in its own right. It features a Brasslite receiver cover and barrel band, both engraved with ornate scrollwork inspired by the 19th-century greats.

Meticulous stippling throughout the intertwining scrolls adds depth and contrast, while a scalloped border frames the design on each panel. The brass barrel band is engraved on both sides with another flourishing scroll to match the receiver cover, creating a design that is sure to captivate any firearm enthusiast. While not the result of an artist's hand, we selected Fancy-grade American Walnut for these rifles, which are works of art in their own right. Every piece of wood is different, but only pieces that exhibit some marble-like figuration and rich coloration make the cut for this edition. To further distinguish this edition from the rest, each rifle in the series bears a unique serial number between 1 and 1,000. The rest of the rifle follows suit with the award-winning Golden Boy, including the 20" blued steel octagon barrel, fully adjustable sights, brass buttplate, and the smoothest action you will ever feel right out of the box. This is the finest example of a Golden Boy rifle that money can buy. Should you choose to spend your hard-earned money on this particular Golden Boy, we hope you will display it with pride as a cornerstone of your collection.
