

MARS-H CQB 7.62X51 NATO SEMI-AUTO RIFLE - MARS-H CQB 7.62X51 NATO 16" BBL (1)20RD MAG BLACK

MARS-H CQB 7.62X51 NATO SEMI-AUTO RIFLE CQB MWS 12.5 Upper Receiver | Ambidextrous Charging Handle | S-A Bolt Carrier Group | MARS-H Lower Receiver | 16" 7.62x51 (.308) Chrome Lined 1:10" RH Twist Barrel The do-it-all MARS-H has the robustness of a combat proven weapon system, the pedigree of an accurate long range rifle, and the versatility of LMT's MARS™ modular system. Featuring a 1/10 right hand twist, 16", chrome lined barrel, and two stage trigger, this carbine can shoot with precision for a long time. Utilizing the LMT® patented Monolithic Rail Platform, MRP™. The only true monolithic rail platform, milled from a single solid piece of aerospace aluminum forging. It utilizes two locking bolts accessible from the side of the receiver to lock in the barrel extension. This patented technology engages the barrel extension for a full 360 degrees around the extension and makes the barrel removable within seconds with a return to zero of the same barrel. One receiver can utilize numerous barrels of varying length, material, and caliber. MARS-H barrels utilize a low profile gas block and straight gas tube. They possess proprietary coating and are cryogenically treated for long term durability. The MARS-H ambidextrous lower receiver features LMT's EDM machined two-stage trigger, winter trigger guard, endplate with QD swivel point, LMT® ergonomic textured grip, and SOPMOD stock. The ambidextrous features include bolt catch and release, magazine catch, and safety selector. As with all LMT® lower receivers, the extension tube is coated with dry film lubricant. This weapon system comes complete with magazine, owner's manual, and 3 rail panels

MARSH CQB 7.62X51 NATO SEMIAUTO RIFLE

Safety Instruction Guide

Introduction

Thank you for choosing the MARSH CQB 7.62X51 NATO SemiAuto Rifle. This guide provides essential safety instructions and guidelines to ensure the safe use of your firearm. It is important to read and understand this guide thoroughly before using the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the firearm securely and out of reach of unauthorized users, especially children.
- Regularly inspect the firearm for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Always use appropriate personal protective equipment (PPE) such as ear and eye protection while shooting.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before performing any maintenance or inspection.
- Use only ammunition that is specified for this firearm (7.62x51 NATO).
- Do not modify or alter the firearm in any way.
- Be cautious when loading and unloading the firearm; keep the muzzle pointed in a safe direction.
- If you experience a misfire or hang fire, wait 30 seconds before attempting to open the action.
- Avoid using the firearm under the influence of drugs or alcohol.
- Always be aware of your surroundings and other people when shooting.

Instructions for Installation and Usage

1. Installation of Accessories:

- Ensure the firearm is unloaded before attaching any accessories.
- Follow the manufacturer's instructions for any additional accessories you may wish to install.

2. Loading the Firearm:

- Open the action of the firearm.
- Insert the magazine into the magazine well until it clicks into place.
- Pull the charging handle to the rear and release it to chamber a round.

3. Firing the Firearm:

- Assume a stable shooting position.
- Align your sights on the target.
- Place your finger on the trigger and apply steady pressure to fire.
- After firing, maintain muzzle awareness and prepare for followup shots.

4. Unloading the Firearm:

- Point the muzzle in a safe direction.
- Remove the magazine by pressing the magazine catch.
- Pull the charging handle to the rear to eject any chambered round.

5. Storage:

- Store the firearm in a secure location, preferably in a locked safe.
- Keep ammunition stored separately from the firearm.

Disposal Instructions

- Dispose of any expired or damaged ammunition according to local regulations.
- If the firearm is no longer in use, consider contacting a licensed firearms dealer for proper disposal.
- Do not dispose of the firearm in regular trash.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MARSH CQB 7.62X51 NATO SemiAuto Rifle, please contact your local authorized dealer or representative. It is essential to have an EU-based contact for safety inquiries.

Conclusion

Your safety and the safety of others are paramount when using firearms. By following the guidelines and instructions provided in this safety instruction guide, you can ensure the responsible use of your MARSH CQB 7.62X51 NATO SemiAuto Rifle. Always stay informed and vigilant about safety practices and regulations.
