

MARS-H STRIPPED LOWER RECEIVER - LMT DEFENSE MARS-H 260 REM/6.5 CM/7.62 NATO STRIPPED LOWER RECEIVER

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Lower Receivers](#)

MARS-H STRIPPED LOWER RECEIVER The MARS-H brings the innovative design of our MARS-L to the MWS® platform. The LMT® Modular Ambidextrous Rifle System (MARS®) lower receiver offers ambidextrous controls to include: selector, magazine release and bolt catch and release. The ambidextrous magazine and bolt catch mechanisms are machined directly into the receiver and have been designed to function as ergonomically as possible. This “stripped” version comes only with the ambidextrous components installed. LMT® MWS® lower receivers are only guaranteed compatible with LMT upper receivers. Any other brand may not fit or function correctly. SPECIFICATIONS: Weight: 1.718 lbs Dimensions: 15.75 x 2.75 in Caliber: .260 Remington, 6.5 Creedmoor, 7.62x51 NATO Lower Type: MARS™ -H

MARSH Stripped Lower Receiver Safety Instructions

Introduction

Thank you for choosing the MARSH Stripped Lower Receiver from LMT Defense. This product is designed for use with the MWS® platform and is engineered to provide enhanced ambidextrous controls for a more ergonomic shooting experience. It is important to follow the safety guidelines outlined in this document to ensure safe and effective use of your lower receiver.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Use appropriate eye and ear protection while handling or shooting the firearm.
- Ensure that the firearm is unloaded when not in use or when being transported.
- Regularly inspect the lower receiver and other firearm components for wear and damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Store the lower receiver and any associated components securely and out of reach of children or unauthorized users.

Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the MARSH lower receiver before use.
- Only use compatible LMT upper receivers with the MARSH lower receiver to ensure proper fit and function.
- Do not modify the lower receiver or its components in any way that could affect its safety or performance.
- Always check the compatibility of ammunition before use. The MARSH lower receiver is designed for the following calibers:
 - .260 Remington
 - 6.5 Creedmoor
 - 7.62x51 NATO
- Be aware that using ammunition not specified for this lower receiver may lead to malfunctions or unsafe conditions.
- If you experience any malfunctions or issues while using the firearm, cease use immediately and seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure that the workspace is clean and free of obstructions.
- Gather all necessary tools, including a torque wrench and appropriate screws.
- Align the MARSH lower receiver with the compatible LMT upper receiver.
- Securely attach the upper receiver to the lower receiver using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Check that all components are functioning correctly before proceeding to use.

2. Usage:

- Load the firearm with compatible ammunition.

- Ensure that the safety selector is in the safe position before loading.
- Once loaded, switch the safety selector to the desired firing position.
- When ready to fire, maintain a firm grip on the firearm and ensure proper stance.
- After firing, keep the firearm pointed in a safe direction and engage the safety selector before unloading.

Disposal Instructions

- Dispose of the lower receiver and any associated components in accordance with local laws and regulations.
- Do not dispose of firearms or firearm components in regular trash.
- Contact a local firearms dealer or law enforcement agency for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MARSH Stripped Lower Receiver, please reach out to your local LMT Defense representative or authorized dealer. It is important to have access to reliable information and support for your product.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MARSH Stripped Lower Receiver. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important guidelines.
