## Safety Instructions

### Introduction

Thank you for choosing the LMT Monolithic 300 AAC Blackout Rifle Barrel. This safety instruction guide is designed to provide you with essential information to ensure the safe use and maintenance of your product. Please read this guide carefully before using the barrel, and keep it for future reference.

### General Safety Guidelines

- **Product Safety:** Ensure safe use of the LMT Monolithic 300 AAC Blackout Rifle Barrel by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any product recalls by checking official sources regularly.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Always keep firearms and related components out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Be aware of updates regarding product safety through the EU's Safety Gate system.

### Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation or use may lead to serious injury or death.
  - Ensure that the barrel is compatible with your firearm.
  - Always verify that the firearm is unloaded before installation.
- **Avoiding Hazards:**
  - Follow all local laws and regulations regarding the use of firearms.
  - Use appropriate protective gear, such as safety glasses and hearing protection, when handling firearms.
  - Do not modify the barrel or any related components without consulting a qualified gunsmith.
- **AgeRelated Warning:**
  - This product is intended for use by individuals who are at least 18 years of age and legally permitted to own a firearm.

### Instructions for Installation and Usage

- **Installation Instructions:**
  1. Ensure that your firearm is unloaded and pointed in a safe direction.
  2. Remove the existing barrel according to the manufacturer's instructions.
  3. Clean the receiver and ensure that it is free from debris.
  4. Align the LMT Monolithic 300 AAC Blackout Rifle Barrel with the receiver.
  5. Secure the barrel using the appropriate tools and torque specifications as recommended by the manufacturer.
  6. Install the gas block and gas tube following the manufacturer's guidelines.

7. Attach the muzzle device (A2 birdcage) securely.

- **Usage Instructions:**

- Always perform a safety check before each use.
- Use only ammunition that is compatible with the 300 AAC Blackout caliber.
- Follow standard firearm safety practices, including keeping the muzzle pointed in a safe direction and keeping your finger off the trigger until ready to shoot.
- Regularly inspect the barrel for any signs of wear or damage.

## **Disposal Instructions**

- **Disposal of the Barrel:**

- If you need to dispose of the barrel, follow local regulations for the disposal of firearms and firearm components.
- Ensure that the barrel is rendered inoperable before disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the LMT Monolithic 300 AAC Blackout Rifle Barrel, please refer to the designated EU contact point. This information can typically be found on the product packaging or the manufacturer's website.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your LMT Monolithic 300 AAC Blackout Rifle Barrel. Always prioritize safety and responsibility when handling firearms.
