Safety Instruction Guide for SEMIAUTO 7.62X51 NATO BOLT CARRIER GROUP

Introduction

Thank you for choosing the LMT® .308 Bolt Carrier Group (BCG). This product is designed for durability and reliability, making it suitable for various applications. This safety instruction guide provides essential information to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle the BCG with care and in accordance with standard firearm safety practices.
- Ensure that the product is used in a safe environment, free from distractions.
- Regularly inspect the BCG for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Always wear appropriate safety gear, such as eye protection, when using firearms.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or handling the BCG.
- Follow the manufacturer's instructions for installation and usage.
- Do not modify the BCG or use it in ways not intended by the manufacturer.
- Be aware of the potential hazards associated with the use of firearms, including accidental discharge.
- Store the BCG in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing bolt carrier group from the firearm.
- Carefully insert the LMT® .308 BCG into the upper receiver of the firearm.
- Ensure that the BCG is properly seated and aligned.
- Reassemble the firearm according to the manufacturer's specifications.

2. Usage:

- Always follow safe handling procedures when operating the firearm.
- Be aware of your surroundings and ensure that you have a clear line of sight before firing.
- Regularly clean and maintain the BCG to ensure optimal performance.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the BCG in accordance with local regulations and guidelines.
- Do not dispose of the BCG in regular household waste.
- Contact local authorities for information on safe disposal methods for firearms-related products.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the EU-based contact point provided with

your product. You can also check for recall updates and safety information on the EU's Safety Gate platform.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your LMT® .308 Bolt Carrier Group. Always prioritize safety and compliance with applicable regulations. Thank you for your attention to these important safety measures.
