[Firearms](#) > [Rifles](#) > [Lever Action](#)

BIG BOY CLASSIC STEEL RIFLE 327 FEDERAL/32 H&R MAG LEVER ACTION RIFLE While Henry is fond of the brass tradition begun by B.T. Henry's 1860 rifle, they do understand that today's hunter may prefer something a shade lighter on the mountain, and the Big Boy Steel carries on the same brush gun appeal of the brass-framed Big Boys in its overall configuration, but with upgraded features for the modern hunter, while weighing in 1.68lbs. less than its cousin. The 7lbs. steel Big Boy hangs its 20" round barrel and checkered walnut furniture on a matte-finished blued steel frame that's drilled & tapped for optional scope mounts, and uses the same adjustable Western-style sights as the standard Big Boy, with the same sliding transfer bar safety system in its hammer. Most of the weight savings is due to the steel frame being lighter than a brass counterpart to begin with, and less steel in the thinner barrel walls than an octagon version. To make sure the steel Big Boy stays easy on the shoulder Henry uses a black solid rubber recoil pad. For hands-free hiking up or down, it wears sling swivel studs; and they've also added a rifle-style fore-end cap instead of the usual carbine-type barrel band. A perfect choice for straight-walled cartridge hunting laws in Ohio, Indiana, Southern Michigan, and other areas; with its subdued no-spook-em dark finish and easy-to-manuever dimensions, they've got that brand new deer rifle you've been looking for right here. SPECIFICATIONS: Barrel Length: 20" Barrel Type: Round Blued Steel Rate of Twist: 1:16 Overall Length: 37.5" Weight: 7.00 lbs. Receiver Finish: Blued Steel Rear Sight: Fully Adj. BIG BOY CLASSIC STEEL RIFLE Safety Instruction Guide

Introduction

Thank you for choosing the BIG BOY CLASSIC STEEL RIFLE 327 FEDERAL LEVER ACTION RIFLE. This guide provides important safety information and instructions to ensure the safe use of your firearm. Please read this guide carefully before using the product.

General Safety Guidelines

- Always treat the firearm as if it is loaded, even if you believe it is not.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Use only the recommended ammunition for this firearm.
- Regularly inspect the firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- **Age Restrictions:** This firearm should only be used by individuals who are legally allowed to possess firearms in their jurisdiction.
- **Protective Gear:** Always wear appropriate eye and ear protection when shooting.
- **Shooting Environment:** Ensure you are in a safe and controlled environment when using the firearm. Avoid shooting in areas where people may be present.
- **Loading and Unloading:** Follow the manufacturer's instructions for loading and unloading the firearm. Always ensure the firearm is pointed in a safe direction during this process.
- **Cleaning:** Regularly clean and maintain your firearm according to the manufacturer's guidelines to ensure safe operation.

Instructions for Installation and Usage

- **Installation of Scope Mounts:**
 - Ensure the firearm is unloaded before installation.
 - Use the drilled and tapped holes on the frame to securely attach the scope mounts.
 - Follow the scope manufacturer's instructions for attaching the scope.
- **Loading the Magazine:**
 - Open the action of the rifle and ensure it is pointed in a safe direction.
 - Insert the ammunition into the magazine tube, ensuring it is seated properly.
 - Close the action and ensure the firearm is ready for use.
- **Firing the Rifle:**
 - Stand in a stable shooting position with your feet shoulderwidth apart.
 - Grip the rifle firmly and position your cheek on the stock for stability.
 - Aim at your target and gently squeeze the trigger to fire.
- **Unloading the Rifle:**

- Open the action and remove the magazine.
- Visually and physically inspect the chamber to ensure it is clear of ammunition.
- Store the firearm in a secure location.

Disposal Instructions

- Dispose of any unused or expired ammunition according to local regulations.
- When disposing of the firearm, follow all local laws regarding firearm disposal.
- Consider contacting a licensed firearms dealer for assistance with the disposal of the firearm.

Contact Information for Further Support

For any inquiries regarding safety, usage, or concerns about the BIG BOY CLASSIC STEEL RIFLE, please refer to the manufacturer's website or customer support resources.

By following these guidelines, you can ensure a safe and enjoyable experience with your BIG BOY CLASSIC STEEL RIFLE. Always prioritize safety and responsible firearm handling.
