

# TYPE 3 ACTION ENHANCEMENT KIT FOR SLIM FRAME GLOCK - APEX TACTICAL SPECIALTIES INC. TYPE 3 ACTION ENHANCEMENT KIT FOR SLIM FRAME GLOCK RED

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The Action Enhancement Kit for Slim Frame Glock pistols features the Apex Action Enhancement Trigger with Type 3 Aesthetics, with an Apex Trigger Bar, and Apex Performance Connector. The kit is a direct drop-in replacement of the factory polymer trigger, trigger bar, and connector, it provides for a smoother trigger pull with reduced travel, reduced reset length and a crisp break between 4.5 and 5.0 lbs. Type 3 Aesthetics: The Type 3 Trigger for Glocks feature a visually distinct design that sets it apart while maintaining the same excellent performance as our classic triggers for Glocks. Features of the Type 3 triggers include: Chamfers at the front corners (classic trigger has a radius on the front corners) Additional decorative face cuts on the visible sides of the trigger. Same performance as the classic line, just a different look. Features: Direct drop-in replacement of factory polymer trigger, trigger bar, and connector. Smooths uptake and reset. Reduces trigger pre-travel, overall travel and reset distance. Crisp trigger break with a 4.5 to 5 lb. Trigger Pull Weight. Center mounted pivoting safety maintains factory safety values. 100% Manufactured in the USA, right here in Phoenix. Applicable to What Guns: Glock Models: G43, G43X, and G48 Not for use with: Not for use in the G42 (The trigger bar in the G42 is shorter) Non-Glock brand frames - If your frame is not made by Glock, do not use this kit in your pistol. Clones do not count as a Glock frame.

# Safety Instruction Guide for TYPE 3 ACTION ENHANCEMENT KIT FOR SLIM FRAME GLOCK

## Introduction

Thank you for choosing the TYPE 3 ACTION ENHANCEMENT KIT FOR SLIM FRAME GLOCK manufactured by Apex Tactical Specialties Inc. This guide provides important safety instructions and information to ensure the safe use of this product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your Glock pistol before installing and using the Action Enhancement Kit.
- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and the Action Enhancement Kit in a secure location, out of reach of children and unauthorized users.
- Regularly check for any recalls or safety notices related to your product on the EU Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- This product is only compatible with Glock models G43, G43X, and G48. Do not use it with any other models, including the G42 or nonGlock brand frames.
- Ensure that the firearm is unloaded before attempting to install the Action Enhancement Kit.
- Follow all local laws and regulations regarding firearm modifications.
- If you are not experienced with firearm modifications, consider seeking assistance from a qualified gunsmith.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary tools for installation.

#### 2. Remove the Factory Trigger:

- Disassemble your Glock according to the manufacturer's instructions.
- Carefully remove the factory polymer trigger, trigger bar, and connector.

#### 3. Install the Action Enhancement Kit:

- Install the Apex Action Enhancement Trigger in place of the factory trigger.
- Attach the Apex Trigger Bar and Apex Performance Connector as per the provided instructions.
- Ensure all components are securely in place and function correctly.

#### 4. Reassemble the Firearm:

- Reassemble your Glock according to the manufacturer's instructions.
- Conduct a function check to ensure everything operates smoothly.

## 5. Testing:

- Test the trigger pull in a safe environment to ensure proper installation and functionality.

## Usage Instructions

- After installation, the Action Enhancement Kit provides a smoother trigger pull with reduced travel and reset length.
- The trigger pull weight will be between 4.5 and 5.0 lbs.
- Always perform a function test before using the firearm in any live situation.

## Disposal Instructions

- Dispose of the Action Enhancement Kit and any components in accordance with local regulations.
- Do not dispose of any firearm components in regular household waste.
- Consider recycling options for metal components where applicable.

## Contact Information for Further Support

For any questions or concerns regarding the Action Enhancement Kit, please contact the manufacturer's customer support or refer to the product's official website for additional resources.

By following these safety instructions, you can help ensure the safe and effective use of the TYPE 3 ACTION ENHANCEMENT KIT FOR SLIM FRAME GLOCK. Thank you for your attention to these important safety guidelines.
