

SUPPRESSOR CLEANER 32OZ BOTTLE

SUPPRESSOR CLEANER The Breakthrough Clean Technologies Suppressor Cleaner is a water-based, ammonia-free cleaner that removes heavy carbon and lead deposits. Utilizing a proprietary blend of chemical surfactants and detergents, this cleaner effectively neutralizes all corrosive residues, preventing damaging rust and corrosion without etching or harming your suppressor. With no noxious fumes or hazardous chemicals, the suppressor cleaner is a safe and effective choice for removing stubborn carbon and lead build-up in your suppressor. **FEATURES:** **SUPPRESSOR CLEANING SUPPLIES:** Our carbon remover is a water-based cleaner that dissolves heavy carbon and lead deposits on a firearm's suppressor. It neutralizes all corrosive residues and temporarily protects against rust and corrosion. **FIREARM ACCESSORY CARE AND MAINTENANCE:** Our premium degreaser helps keep your gun accessories in peak condition and top-notch performance. It is petroleum and ammonia-free. **SUPERIOR QUALITY:** Utilizing a proprietary blend of chemical surfactants and detergents, this cleaner prevents the build-up of rust and corrosion without etching or harming the suppressor's surface. **MULTI-PURPOSE DEGREASER:** This carbon cleaner works with aluminum, stainless steel, and titanium-based suppressors. **BREAKTHROUGH CLEAN:** We offer the finest line of products to safely and efficiently maintain your equipment. Our cleaners eliminate more contaminants than the leading competitors, and our lubricants provide the ultimate protection from the elements. *Prolonged contact with Cerakote or Anodized metal may cause discoloring. Always test a small area to ensure product will not harm surface.

SUPPRESSOR CLEANER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Breakthrough Clean Technologies Suppressor Cleaner. This product is designed to effectively remove carbon and lead deposits from firearm suppressors while ensuring safety during use. Please read this safety instruction guide carefully to ensure proper handling and usage.

General Safety Guidelines

- Always use the cleaner in a wellventilated area to avoid inhaling any fumes.
- Keep the product out of reach of children and pets.
- Do not ingest the cleaner or apply it to skin. In case of contact, rinse thoroughly with water.
- Store the cleaner in a cool, dry place away from direct sunlight and heat sources.
- Follow all local regulations regarding the use and disposal of cleaning products.

Specific Safety Precautions for Use

- Ensure that the suppressor is cool to the touch before applying the cleaner.
- Use gloves and protective eyewear to prevent skin and eye contact.
- Avoid mixing the cleaner with other chemicals or cleaners, as this may create harmful reactions.
- Test the cleaner on a small, inconspicuous area of the suppressor before full application to ensure compatibility with the surface finish.
- Do not use the cleaner on Cerakote or Anodized metal without prior testing, as prolonged contact may cause discoloration.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials: Suppressor Cleaner, gloves, protective eyewear, and a clean cloth.
- Ensure the area is wellventilated.

2. Application:

- Shake the Suppressor Cleaner bottle well before use.
- Apply the cleaner directly onto the suppressor surface, focusing on areas with heavy carbon and lead deposits.
- Allow the cleaner to sit for a few minutes to penetrate the deposits.

3. Cleaning:

- Use a clean cloth or brush to scrub the suppressor gently, removing loosened deposits.
- For stubborn deposits, reapply the cleaner and let it sit for additional time.

4. Rinsing:

- Wipe the suppressor with a damp cloth to remove any remaining cleaner and residues.
- Ensure the suppressor is completely dry before reassembling or using it.

5. PostCleaning Care:

- Inspect the suppressor for any signs of damage or wear.
- Store the suppressor in a safe and dry place.

Disposal Instructions

- Dispose of any unused cleaner and contaminated materials in accordance with local regulations.
- Do not pour the cleaner down the drain or dispose of it in household waste.
- Check for any specific disposal guidelines provided by local waste management authorities.
