

SUPPRESSOR CLEANER - BREAKTHROUGH CLEAN SUPPRESSOR CLEANER 32OZ BOTTLE

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Solvents](#)

SUPPRESSOR CLEANER The Breakthrough Clean Technologies Suppressor Cleaner is a water-based, ammonia-free cleaner that removes heavy carbon and lead deposits. Utilizing a proprietary blend of chemical surfactants and detergents, this cleaner effectively neutralizes all corrosive residues, preventing damaging rust and corrosion without etching or harming your suppressor. With no noxious fumes or hazardous chemicals, the suppressor cleaner is a safe and effective choice for removing stubborn carbon and lead build-up in your suppressor. **FEATURES:** **SUPPRESSOR CLEANING SUPPLIES:** Our carbon remover is a water-based cleaner that dissolves heavy carbon and lead deposits on a firearm's suppressor. It neutralizes all corrosive residues and temporarily protects against rust and corrosion. **FIREARM ACCESSORY CARE AND MAINTENANCE:** Our premium degreaser helps keep your gun accessories in peak condition and top-notch performance. It is petroleum and ammonia-free. **SUPERIOR QUALITY:** Utilizing a proprietary blend of chemical surfactants and detergents, this cleaner prevents the build-up of rust and corrosion without etching or harming the suppressor's surface. **MULTI-PURPOSE DEGREASER:** This carbon cleaner works with aluminum, stainless steel, and titanium-based suppressors. **BREAKTHROUGH CLEAN:** We offer the finest line of products to safely and efficiently maintain your equipment. Our cleaners eliminate more contaminants than the leading competitors, and our lubricants provide the ultimate protection from the elements. *Prolonged contact with Cerakote or Anodized metal may cause discoloring. Always test a small area to ensure product will not harm surface.

SUPPRESSOR CLEANER BREAKTHROUGH CLEAN USER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Breakthrough Clean Technologies Suppressor Cleaner. This guide provides essential safety instructions and information for the proper use of this product. Please read this manual carefully to ensure safe and effective usage.

General Safety Guidelines

- Always store the cleaner out of reach of children and pets.
- Ensure the working area is wellventilated to avoid inhalation of vapors.
- Do not use the cleaner near open flames or high heat sources.
- Avoid prolonged skin contact. Use protective gloves if necessary.
- In case of contact with eyes, rinse immediately with plenty of water and seek medical attention if irritation persists.
- Do not ingest. If swallowed, seek medical assistance immediately.
- Follow all local regulations for the disposal of cleaning products.

Specific Safety Precautions for Use

- Ensure that the suppressor is cool before applying the cleaner.
- Test the cleaner on a small, inconspicuous area of the suppressor before full application to ensure compatibility.
- Do not mix with other cleaning agents or chemicals.
- Use only in accordance with the instructions provided by the manufacturer.
- If you experience any adverse reactions, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Ensure the suppressor is detached from the firearm and completely cool.
- Gather all necessary materials, including the suppressor cleaner, a soft cloth, and protective gloves.

2. Application:

- Shake the bottle of suppressor cleaner well before use.
- Apply the cleaner directly onto the suppressor surface, focusing on areas with heavy carbon and lead deposits.
- Allow the cleaner to sit for a few minutes to penetrate the deposits.

3. Cleaning:

- Use a soft cloth or brush to scrub the suppressor gently, removing the loosened deposits.
- For stubborn areas, reapply the cleaner and repeat the scrubbing process.

4. Rinsing:

- Wipe the suppressor with a clean, damp cloth to remove any remaining cleaner and debris.
- Ensure that no residue is left on the suppressor before reattaching it to the firearm.

5. **PostUse Care:**

- Clean any tools or materials used during the cleaning process.
- Store the suppressor cleaner in a cool, dry place, away from direct sunlight.

Disposal Instructions

- Dispose of any unused cleaner and empty containers in accordance with local hazardous waste regulations.
- Do not pour the cleaner down drains or dispose of it in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with the Breakthrough Clean Technologies Suppressor Cleaner. Thank you for your attention to these important guidelines.
