

SUPPRESSOR CLEANER - BREAKTHROUGH CLEAN SUPPRESSOR CLEANER 1 GALLON JUG

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Solvents](#)

SUPPRESSOR CLEANER The Breakthrough Clean Technologies Suppressor Cleaner is a water-based, ammonia-free cleaner that removes heavy carbon and lead deposits. Utilizing a proprietary blend of chemical surfactants and detergents, this cleaner effectively neutralizes all corrosive residues, preventing damaging rust and corrosion without etching or harming your suppressor. With no noxious fumes or hazardous chemicals, the suppressor cleaner is a safe and effective choice for removing stubborn carbon and lead build-up in your suppressor. **FEATURES:** **SUPPRESSOR CLEANING SUPPLIES:** Our carbon remover is a water-based cleaner that dissolves heavy carbon and lead deposits on a firearm's suppressor. It neutralizes all corrosive residues and temporarily protects against rust and corrosion. **FIREARM ACCESSORY CARE AND MAINTENANCE:** Our premium degreaser helps keep your gun accessories in peak condition and top-notch performance. It is petroleum and ammonia-free. **SUPERIOR QUALITY:** Utilizing a proprietary blend of chemical surfactants and detergents, this cleaner prevents the build-up of rust and corrosion without etching or harming the suppressor's surface. **MULTI-PURPOSE DEGREASER:** This carbon cleaner works with aluminum, stainless steel, and titanium-based suppressors. **BREAKTHROUGH CLEAN:** We offer the finest line of products to safely and efficiently maintain your equipment. Our cleaners eliminate more contaminants than the leading competitors, and our lubricants provide the ultimate protection from the elements. *Prolonged contact with Cerakote or Anodized metal may cause discoloring. Always test a small area to ensure product will not harm surface.

SUPPRESSOR CLEANER BREAKTHROUGH CLEAN

USER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Breakthrough Clean Technologies Suppressor Cleaner. This waterbased, ammoniafree cleaner is designed to effectively remove carbon and lead deposits from your firearm's suppressor while ensuring safety for both you and your equipment. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always keep the product out of reach of children and vulnerable individuals.
- Use the product in a wellventilated area to avoid inhalation of any vapors.
- Avoid prolonged skin contact with the cleaner. If contact occurs, wash affected area with soap and water.
- Do not ingest the cleaner. In case of ingestion, seek medical attention immediately.
- Store the product in its original container, tightly closed, and in a cool, dry place away from direct sunlight.
- Regularly check for product recalls and safety updates on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that your suppressor is cool to the touch before applying the cleaner.
- Wear protective gloves and eyewear to avoid skin and eye irritation.
- Do not mix this cleaner with other chemicals or cleaners.
- Always conduct a patch test on a small, inconspicuous area of the suppressor before full application to check for any adverse reactions.
- Avoid using the product on Cerakote or Anodized metal without prior testing, as prolonged contact may cause discoloration.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials: Suppressor Cleaner, protective gloves, safety goggles, and a clean cloth.
- Ensure the suppressor is detached from the firearm and is at room temperature.

2. Application:

- Shake the Suppressor Cleaner bottle well before use.
- Apply the cleaner directly onto the suppressor using a clean cloth or sponge.
- Allow the cleaner to sit for a few minutes to penetrate heavy carbon and lead deposits.

3. Cleaning:

- Wipe the suppressor thoroughly with the cloth to remove loosened deposits.
- For stubborn residues, repeat the application as necessary.
- Rinse the suppressor with water and dry it completely before reattaching it to the firearm.

4. PostUse Care:

- Dispose of any used cloths or sponges that have come into contact with the cleaner properly.

- Wash your hands thoroughly after handling the cleaner and any cleaning materials.

Disposal Instructions

- Dispose of any leftover cleaner according to local regulations for hazardous waste.
- Do not pour the cleaner down the drain or throw it in regular trash.
- Ensure that all containers are tightly sealed before disposal.

Contact Information for Further Support

For any safety inquiries or additional support regarding the use of the Breakthrough Clean Suppressor Cleaner, please refer to the manufacturer's website or customer service contact details provided on the product label.

By following these safety instructions, you can ensure a safe and effective cleaning experience with the Breakthrough Clean Suppressor Cleaner. Thank you for your attention to safety and for choosing our product.
