

ERGO ROLLER LEVER FOR RELOADING PRESSES - INLINE FABRICATION ERGO ROLLER LVR FOR LYMAN BRASS SMITH AMERICAN 8 TURRET PRES

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. Each Ergo Roller lever is made specifically for a specific model of press to position you in the most ergonomic reloading position. The forward offset design of the ergonomic levers snug you into your press, positions you perfectly to see your powder charge before placing a bullet, keeps you from bending/leaning over time after time and keeps you comfortable through-out your reloading session. The roller handle is super smooth and a dream to use. The levers are lathe cut & threaded; then black powder coated. The roller bearing handle is very comfortable diameter to grip and a dream to use.

Safety Instruction Guide for ERGO ROLLER LEVER for Reloading Presses

Introduction

Thank you for choosing the ERGO ROLLER LEVER for your reloading press. This product is designed to enhance your reloading experience by providing ergonomic support and comfort. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Ensure that the reloading press is properly secured before installation.
- Inspect the lever and handle for any signs of damage before use.
- Keep the work area clean and organized to prevent accidents.
- Store the product in a safe, dry place when not in use.
- Follow all local laws and regulations regarding reloading and firearm safety.

Specific Safety Precautions for Use

- Do not use the ERGO ROLLER LEVER if it is damaged or malfunctioning.
- Ensure that your hands are dry and clean when using the lever to avoid slipping.
- Avoid wearing loose clothing or jewelry that could get caught in the reloading press.
- Keep children and pets away from your reloading area while in use.
- Always wear appropriate safety gear, such as eye protection, when reloading.

Instructions for Installation and Usage

1. Installation

- Ensure the reloading press is unplugged and not in use.
- Remove any existing lever from the press, if applicable.
- Align the ERGO ROLLER LEVER with the mounting point on the press.
- Secure the lever using the provided screws or fasteners, ensuring it is tightly fitted.
- Check that the lever moves smoothly before proceeding.

2. Usage

- Position yourself comfortably in front of the reloading press.
- Grip the roller handle firmly but comfortably.
- Use a smooth, controlled motion to operate the lever.
- Always check the powder charge before placing a bullet to ensure safety.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible.

Contact Information for Further Support

For any questions or concerns regarding the ERGO ROLLER LEVER, please refer to the manufacturer's contact

information provided with the product packaging.

By following these guidelines, you can ensure a safe and enjoyable reloading experience. Thank you for your attention to safety.
