

# ERGO ROLLER LEVER FOR RELOADING PRESSES - INLINE FABRICATION ERGO ROLLER LEVER FOR LYMAN T-MAG II PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. Each Ergo Roller lever is made specifically for a specific model of press to position you in the most ergonomic reloading position. The forward offset design of the ergonomic levers snug you into your press, positions you perfectly to see your powder charge before placing a bullet, keeps you from bending/leaning over time after time and keeps your comfortable through-out your reloading session. The roller handle is super smooth and a dream to use. The levers are lathe cut & threaded; then black powder coated. The roller bearing handle is very comfortable diameter to grip and a dream to use.

# Safety Instruction Guide for ERGO ROLLER LEVER FOR RELOADING PRESSES

## Introduction

Thank you for choosing the ERGO Roller Lever for Reloading Presses by Inline Fabrication. This product is designed to enhance your reloading experience while ensuring your safety. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Inspect the lever and all components for damage before use.
- Ensure that the reloading press is securely mounted and stable before installation.
- Keep the area around your reloading press clean and free from clutter.
- Store the product in a dry place away from children and pets.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury if improperly installed or used.
  - Potential for pinching or crushing injuries when operating the lever.
  - Risk of eye injury from debris during the reloading process.
- **Avoiding Hazards:**
  - Ensure hands are clear of the lever's moving parts during operation.
  - Always wear appropriate safety glasses while reloading.
  - Keep clothing and hair away from moving parts to prevent entanglement.
  - Do not overload the press beyond its specified capacity.
  - Use the product only for its intended purpose.
- **AgeSpecific Warnings:**
  - This product is not intended for use by children. Keep out of reach of minors.
  - Ensure that inexperienced users are supervised by a knowledgeable adult.

## Instructions for Installation and Usage

- **Installation:**
  1. Unbox the ERGO Roller Lever and ensure all parts are present.
  2. Turn off and unplug the reloading press before installation.
  3. Locate the mounting point on your specific model of press.
  4. Align the lever with the mounting point and secure it using the provided hardware.
  5. Tighten all screws and bolts to ensure stability.
- **Usage:**
  1. Before starting, ensure the reloading press is in a stable position.

2. Adjust your seating position to maintain an ergonomic posture.
3. Use the roller handle to operate the lever smoothly.
4. Always check the powder charge visually before placing a bullet.
5. After use, clean the lever and surrounding area to maintain safety.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly by recycling where possible.
- If the product is no longer usable, follow local regulations for disposal of mechanical parts.
- Do not dispose of the product in regular household waste; check for recycling options specific to metal and plastic components.

## **Contact Information for Further Support**

For any questions or concerns regarding the ERGO Roller Lever, please refer to the manufacturer's website or contact the customer service department directly. Ensure you have the product details ready for quicker assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy your reloading experience with the ERGO Roller Lever.
