

# ERGO ROLLER LEVER FOR RELOADING PRESSES - INLINE FABRICATION ERGO ROLLER LEVER FOR RCBS ROCKCHUCKER SUPREME PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. Each Ergo Roller lever is made specifically for a specific model of press to position you in the most ergonomic reloading position. The forward offset design of the ergonomic levers snug you into your press, positions you perfectly to see your powder charge before placing a bullet, keeps you from bending/leaning over time after time and keeps your comfortable through-out your reloading session. The roller handle is super smooth and a dream to use. The levers are lathe cut & threaded; then black powder coated. The roller bearing handle is very comfortable diameter to grip and a dream to use.

# Safety Instruction Guide for ERGO ROLLER LEVER

## Introduction

Thank you for choosing the ERGO ROLLER LEVER for your reloading press. This product is designed to enhance your reloading experience while ensuring your safety. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- **Product Safety:** The ERGO ROLLER LEVER is designed to ensure safe use during reloading activities. Always handle the product with care.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized notices. Please stay informed and check for updates.
- **Online Shopping Protections:** If purchased online, the same safety protections apply as if purchased in a physical store.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact point provided by your retailer.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts regarding unsafe products.

## Specific Safety Precautions for Use

- Always inspect the ERGO ROLLER LEVER before use for any signs of damage or wear.
- Ensure that the reloading press is securely mounted and stable before attaching the lever.
- Use the lever only for its intended purpose to avoid accidents.
- Do not force the lever beyond its intended range of motion.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Keep hands and other body parts clear of moving parts during operation.
- If you experience any discomfort or pain while using the lever, stop using it immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged.
- Remove the existing lever from the press if applicable.
- Align the ERGO ROLLER LEVER with the mounting point on the press.
- Securely attach the lever using the provided screws and tools.
- Check that the lever is firmly in place before use.

### 2. Usage:

- Position yourself comfortably at the reloading press.
- Use the roller handle to operate the lever smoothly; avoid jerky movements.
- Always check your powder charge visually before placing a bullet.
- If you need to adjust your position, do so carefully to maintain balance and stability.

## Disposal Instructions

- Dispose of the ERGO ROLLER LEVER in accordance with local regulations.
- If the product is damaged or no longer in use, please consider recycling it where facilities are available.

- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the ERGO ROLLER LEVER, please consult your retailer or the manufacturer's website for further assistance.

Thank you for prioritizing safety while enjoying your reloading activities!
