

# ERGO ROLLER LEVER FOR RELOADING PRESSES - INLINE FABRICATION ERGO ROLLER LEVER FOR REDDING BIG BOSS & BIG BOSS II PRESSES

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. Each Ergo Roller lever is made specifically for a specific model of press to position you in the most ergonomic reloading position. The forward offset design of the ergonomic levers snug you into your press, positions you perfectly to see your powder charge before placing a bullet, keeps you from bending/leaning over time after time and keeps you comfortable through-out your reloading session. The roller handle is super smooth and a dream to use. The levers are lathe cut & threaded; then black powder coated. The roller bearing handle is very comfortable diameter to grip and a dream to use.

# Safety Instruction Guide for ERGO ROLLER LEVER

## Introduction

Thank you for choosing the ERGO ROLLER LEVER for your reloading press. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this manual carefully before using the product to enhance your reloading experience.

## General Safety Guidelines

- Ensure safe use of the ERGO ROLLER LEVER by following these guidelines:
  - Always read the product manual before use.
  - Keep the product out of reach of children.
  - Inspect the lever for any damage before each use.
  - Use the lever only for its intended purpose.
  - Store the lever in a dry place to prevent rust and corrosion.
- In case of an emergency:
  - Report any unsafe product incidents to the appropriate authorities.
  - Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- When using the ERGO ROLLER LEVER:
  - Ensure that the press is securely mounted and stable.
  - Avoid wearing loose clothing or jewelry that could get caught in the press.
  - Maintain a clear workspace to prevent accidents.
  - Always keep your hands and face clear of moving parts.
  - Use protective eyewear to shield against debris.
- If you experience any discomfort while using the lever:
  - Stop using the product immediately.
  - Consult a professional if the discomfort persists.

## Instructions for Installation and Usage

### Installation

#### 1. Unpack the Product

- Carefully remove the ERGO ROLLER LEVER from the packaging.
- Inspect for any visible damage or missing parts.

#### 2. Attach the Lever to the Press

- Locate the mounting point on your reloading press.
- Align the lever with the mounting hole.
- Use the provided screws to secure the lever firmly in place.
- Ensure that the lever moves smoothly without obstruction.

## Usage

### 1. Positioning

- Stand in a comfortable stance with your feet shoulderwidth apart.
- Adjust the height of your reloading press if necessary to maintain an ergonomic position.

### 2. Operating the Lever

- Grasp the roller handle firmly.
- Apply steady pressure to operate the lever.
- Monitor your powder charge closely before placing a bullet.

### 3. Postusage Care

- Clean the lever after each use to remove any debris or residue.
- Store the lever in a safe location when not in use.

## Disposal Instructions

- When disposing of the ERGO ROLLER LEVER:
  - Follow local regulations for disposing of metal products.
  - Do not dispose of the product in general household waste.
  - Consider recycling the product if possible.

## Contact Information for Further Support

For any inquiries or additional support regarding the ERGO ROLLER LEVER, please refer to the manufacturer's contact details provided with the product packaging.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your ERGO ROLLER LEVER. Thank you for your attention to safety!
