

# 7.5" JUNIOR QUICK CHANGE ULTRAMOUNT W/LEGS & BASE PLATE - INLINE FABRICATION 7.5" JUNIOR QUIK CHNG ULTRAMNT W/LEGS & QUK CHNGE BASE PLATE

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Ultramount Junior has the same beefy 3/16" thick steel construction as the standard Ultramount, however the Junior is only 7-1/2" tall. With Ultramount JR being only 7-1/2" tall, some press linkages will hang below the benchtop to impede opening of cabinet doors or drawers below your bench. If you have any doubt, before placing an order, measure the linkages hanging down below your bench top and subtract 7.5". If you want to have the press completely on top of the bench and be able to push it back a bit, the standard Ultramount 9-3/4" with quick change base will fix you up. This base set up is to be used with InLine's quick-change top plates. You need one top plate per item you wish to swap in and out. INCLUDES Legs and Quick Change Base Plage. NOTE: Quick Change Top Plates Sold Seperate.

## Attributes

- Name: [INLINE FABRICATION 7.5" JUNIOR QUIK CHNG ULTRAMNT W/LEGS & QUK CHNGE BASE PLATE](#)
- Manufacturer: [INLINE FABRICATION](#)

# Safety Instruction Guide for 7.5" Junior Quick Change Ultramount with Legs & Base Plate

## Introduction

Thank you for choosing the 7.5" Junior Quick Change Ultramount with Legs & Base Plate from Inline Fabrication. This product is designed to provide a sturdy and versatile mounting solution for your reloading press. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is assembled and installed according to the instructions provided.
- Always use the product in a wellventilated area.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the weight limit specified by the manufacturer for the Ultramount and any equipment mounted on it.
- **Stability:** Ensure that the Ultramount is securely attached to a stable surface to prevent tipping or instability during use.
- **Linkage Measurement:** Before installation, measure the linkages of your press. Ensure they do not interfere with cabinet doors or drawers below your bench.
- **Legs and Base Plate:** Ensure that the legs and base plate are properly secured to prevent accidents during operation.
- **Operating Environment:** Keep the work area free of clutter and obstacles to maintain a safe working environment.

## Instructions for Installation and Usage

### 1. Installation:

- Assemble the Ultramount according to the manufacturer's instructions.
- Secure the legs to the base plate, ensuring that all bolts are tightened.
- Attach the Ultramount to a sturdy workbench or table.
- Verify that the Ultramount is level and stable before use.

### 2. Usage:

- Place your reloading press on the Ultramount.
- Ensure that the press is securely attached and that all quickchange top plates are properly fitted.
- If you need to swap out the press, remove the top plate carefully to avoid damaging the components.
- Always follow the manufacturer's guidelines for the operation of your reloading press.

### 3. Maintenance:

- Regularly check all components for wear and tear.
- Clean the Ultramount and surrounding area to prevent debris buildup.
- Store the Ultramount in a dry location when not in use.

## **Disposal Instructions**

- Dispose of packaging materials responsibly by recycling where possible.
- When the Ultramount reaches the end of its life, dispose of it in accordance with local regulations for metal products.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety while using the 7.5" Junior Quick Change Ultramount with Legs & Base Plate. Enjoy your reloading experience!
