Safety Instruction Guide for 9.75" Quick Change Ultramount with Legs, Tray & Base Plate

Introduction

Thank you for choosing the 9.75" Quick Change Ultramount with Legs, Tray & Base Plate by Inline Fabrication. This product is designed to enhance your reloading experience by raising your reloading press for improved visibility and comfort. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that the product is used in a wellventilated area.
- Regularly inspect the product for any signs of wear or damage before each use.
- Do not use the product for any purpose other than its intended use.
- If you encounter any issues, do not attempt to repair the product yourself. Seek professional assistance.

Specific Safety Precautions for Use

- Ensure that the reloading press is securely attached to the Ultramount before use.
- Avoid overloading the reloading press beyond its specified capacity.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading.
- Be cautious of sharp edges and heavy components during installation and use.
- Do not attempt to modify or alter the product in any way.
- If using in a workshop or garage, keep the area tidy and free of any trip hazards.

Instructions for Installation and Usage

1. Installation

- Unbox the Ultramount and ensure all components are present: legs, tray, base plate.
- Select a sturdy work surface for installation that can support the weight of the reloading press and Ultramount.
- Attach the legs to the base plate using the provided hardware. Ensure all screws are tightened securely.
- Position the tray underneath the Ultramount for convenient storage of reloading supplies.
- Place your reloading press on top of the Ultramount and secure it according to the manufacturer's instructions for your specific press model.

2. Usage

- Adjust the height of the Ultramount to a comfortable level that allows you to see your work clearly.
- Ensure all tools and materials are within reach to minimize movement while reloading.
- Always follow the reloading press manufacturer's safety guidelines during operation.
- After use, clean the Ultramount and store it in a safe, dry place.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and electronic waste.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling components where possible.

Contact Information for Further Support

For any safety inquiries or additional support regarding the 9.75" Quick Change Ultramount, please refer to the contact information provided on the packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using the 9.75" Quick Change Ultramount. Enjoy your reloading experience!
