## Introduction

Thank you for choosing the QUICK CHANGE SYSTEM BASE PLATE to convert from Ultramount mount. This guide provides essential safety instructions to ensure the safe use and installation of this product. Please read this document carefully before use.

## General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure that the product is compatible with your existing Ultramount before proceeding with the installation.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the base plate and top plates for any signs of damage before use.
- Use the product only for its intended purpose as specified by the manufacturer.
- If you encounter any issues, stop using the product immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not exceed the weight limit specified in the product documentation when using the quick change system.
- Ensure that the base plate is securely attached before mounting any additional equipment.
- Avoid using the product in wet or damp conditions to prevent slipping or electrical hazards.
- Use appropriate tools for installation to avoid injury.
- If you feel uncomfortable or unsure about the installation process, consult a professional.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components for installation.
- Ensure you have a clean, flat workspace.

### 2. Installation Steps

- Remove any existing Ultramount from your setup.
- Align the QUICK CHANGE SYSTEM BASE PLATE with the mounting points on your setup.
- Securely attach the base plate using the provided screws and tools.
- Once the base plate is installed, select the appropriate top plate for your needs.
- Attach the top plate to the base plate, ensuring it is locked in place.

### 3. Usage

- After installation, check the stability of the setup before adding any equipment.
- Regularly inspect the base plate and top plates for wear or damage during use.
- If any issues arise, discontinue use and refer to the troubleshooting section of the product manual.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and nonrecyclable materials.

- Do not dispose of the product in regular household waste.
- If in doubt, contact your local waste management authority for guidance.
