

EPC-9 ASSEMBLED LOWER RECEIVER FOR AR-15 - AERO PRECISION

EPC-9 ASSEMBLED LOWER RECEIVER FOR AR-15 KODIAK BROWN

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Lower Receivers](#)

The EPC-9 Lower Receiver delivers billet aesthetics in a forged package for your next pistol caliber build. This custom-designed enhanced forging is machined from 7075-T6 Aluminum and has several functional features, much like the M4E1, to help simplify the assembly process for the at home builder. FEATURES Threaded bolt catch pin for easy installation Integrated enlarged trigger guard to remove any risk of breaking off trigger guard tabs, and provide an overall more rugged platform to build on Threaded takedown pin detent recess to allow for the installation of a detent and spring with a single 4-40 set screw Flared magazine well for quick and easy reloads Proprietary components pre-installed from the factory Standard AR15 takedown/pivot pin lug pattern Machined from custom forged 7075-T6 aluminum Compatible with standard frame GLOCK® magazines Weight: 12.8 oz. Multi-Caliber

Safety Instruction Guide for EPC9 Assembled Lower Receiver

Introduction

Thank you for choosing the EPC9 Assembled Lower Receiver for your AR15 build. This product is designed to provide a reliable and safe platform for your pistol caliber firearm. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all components are compatible and properly assembled before use.
- Always treat the firearm as if it is loaded.
- Store the assembled firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the lower receiver and all components for wear and damage.
- Do not use the firearm under the influence of drugs or alcohol.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- **Threaded Bolt Catch Pin:** Ensure that the bolt catch pin is securely installed to avoid accidental disassembly during operation.
- **Trigger Guard:** The integrated enlarged trigger guard is designed to enhance safety. Ensure it is intact before use to prevent accidental discharge.
- **Takedown Pin Detent Recess:** Always use the provided 440 set screw to secure the detent and spring to prevent loss during disassembly.
- **Flared Magazine Well:** Use caution when inserting and removing magazines to avoid pinching fingers.
- **Weight Consideration:** The lower receiver weighs 12.8 oz; ensure that your build maintains a balanced weight for optimal handling.
- **Compatibility:** This lower receiver is compatible with standard frame GLOCK® magazines. Ensure that only compatible magazines are used.

Instructions for Installation and Usage

1. Installation of Components:

- Carefully read the instructions provided with each component.
- Use appropriate tools for assembly to avoid damaging parts.
- Ensure all proprietary components are preinstalled correctly from the factory.

2. Assembly Process:

- Begin by attaching the upper receiver to the lower receiver using the standard AR15 takedown/pivot pin lug pattern.
- Secure the bolt catch pin and ensure it is threaded correctly.
- Install the trigger and ensure the trigger guard is properly fitted.

3. Final Checks:

- After assembly, perform a safety check to ensure all parts are functioning correctly.
- Check that the magazine well is clear and free from obstructions.

4. Usage:

- Always follow safe handling practices when using the firearm.
- Regularly practice loading and unloading to ensure proficiency.
- Attend a firearms safety course if you are a beginner.

Disposal Instructions

- When disposing of the EPC9 Lower Receiver, ensure that all components are rendered inoperable.
- Follow local regulations regarding the disposal of firearm components.
- Contact a local authority or licensed dealer for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the EPC9 Assembled Lower Receiver, please refer to the manufacturer's contact information provided with your purchase. It is important to reach out to the manufacturer for any productspecific questions or issues.

Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with your EPC9 Assembled Lower Receiver. Always prioritize safety and be aware of your surroundings when handling firearms. Thank you for your attention to these important guidelines.
