

MAGVIEW S1 SCOPE ADAPTER - WARNE MFG. COMPANY MAGVIEW S1 SPOTTING SCOPE ADAPTER

MAGVIEW S1 SCOPE ADAPTER Utilizing strong rare-earth magnets built into the adapter, the S1 system creates an incredibly stable platform, requiring only a super thin stainless steel plate adhered to the phone to secure the device to the optic. Simply flip open the S1 cap, connect your device to the magnet with the included MAGVIEW Phone Plate, position the camera and you are ready to film. The design is incredibly durable and multifunctional. When not in use, the S1 shields the eyepiece from dust and precipitation, keeping your glass clean and clear. The MAGVIEW S1 system will streamline the way you capture content on your next hunt. Eyepiece Fitment: S1:51mm-60mm (2.0in-2.36in) S1 MINI:38mm-49mm (1.5in-1.93in) Made in the USA. *Please note the MAGVIEW Phone Plate is not compatible with wireless phone chargers*

MAGVIEW S1 Scope Adapter Safety Instruction Guide

Introduction

Thank you for choosing the MAGVIEW S1 Scope Adapter by Warne MFG. Company. This guide provides essential safety instructions to ensure the safe and effective use of your new product. Please read this guide thoroughly before using the adapter to maximize your safety and enhance your experience.

General Safety Guidelines

- Always ensure the adapter is compatible with your spotting scope and device before use.
- Inspect the adapter and all components for any damage or wear before each use.
- Keep the adapter and all accessories out of reach of children to prevent accidents.
- Avoid using the adapter in extreme weather conditions, such as heavy rain or strong winds, to prevent damage to your equipment.
- If you encounter any issues or concerns while using the adapter, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- The MAGVIEW Phone Plate is not compatible with wireless phone chargers. Do not attempt to use it with such devices.
- Ensure that the stainless steel plate is securely adhered to your phone to prevent it from detaching during use.
- Avoid placing heavy objects on the adapter or your device while it is mounted to prevent damage.
- Do not attempt to modify the adapter or its components in any way, as this may compromise safety and functionality.
- Be cautious when connecting and disconnecting your device from the adapter to avoid injury.

Instructions for Installation and Usage

1. Installation of the Stainless Steel Plate:

- Clean the back of your phone thoroughly to ensure proper adhesion.
- Remove the adhesive backing from the stainless steel plate.
- Carefully position the plate on the back of your phone and press firmly for a secure bond.

2. Attaching the Adapter:

- Open the S1 cap.
- Align the MAGVIEW Phone Plate with the builtin magnets in the adapter.
- Gently press your device against the adapter until it is securely attached.

3. Positioning for Use:

- Adjust the angle of the scope and your device to frame your shot as desired.
- Ensure the camera lens is unobstructed by the adapter or any other objects.

4. Using the Adapter:

- Once positioned, you are ready to capture content. Start filming or taking photos as needed.
- When finished, carefully detach your device from the adapter by pulling it away gently.

5. Storing the Adapter:

- When not in use, close the S1 cap to protect the eyepiece from dust and precipitation.
- Store the adapter in a dry place to maintain its functionality and durability.

Disposal Instructions

- Dispose of the MAGVIEW S1 Scope Adapter and its components in accordance with local regulations.
- Do not dispose of electronic components in regular household waste. Check for local ewaste recycling programs.
