

MAGVIEW S1 SCOPE ADAPTER - WARNE MFG. COMPANY MAGVIEW S1 MINI SPOTTING SCOPE ADAPTER

MAGVIEW S1 SCOPE ADAPTER Utilizing strong rare-earth magnets built into the adapter, the S1 system creates an incredibly stable platform, requiring only a super thin stainless steel plate adhered to the phone to secure the device to the optic. Simply flip open the S1 cap, connect your device to the magnet with the included MAGVIEW Phone Plate, position the camera and you are ready to film. The design is incredibly durable and multifunctional. When not in use, the S1 shields the eyepiece from dust and precipitation, keeping your glass clean and clear. The MAGVIEW S1 system will streamline the way you capture content on your next hunt. Eyepiece Fitment: S1:51mm-60mm (2.0in-2.36in) S1 MINI:38mm-49mm (1.5in-1.93in) Made in the USA. *Please note the MAGVIEW Phone Plate is not compatible with wireless phone chargers*

MAGVIEW S1 Scope Adapter Safety Instructions

Introduction

Thank you for choosing the MAGVIEW S1 Scope Adapter by Warne Mfg. Company. This product is designed to enhance your experience while capturing content during your outdoor activities. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the MAGVIEW S1 Scope Adapter is used only for its intended purpose.
- Always inspect the adapter for any damage before use. Do not use if damaged.
- Keep the adapter out of reach of children and pets.
- Use the product in accordance with the manufacturer's instructions.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the MAGVIEW Phone Plate is compatible with your device. Note that it is not compatible with wireless phone chargers.
- **Eyepiece Fitment:** Confirm that your eyepiece fits within the specified dimensions:
 - S1: 51mm60mm (2.0in2.36in)
 - S1 MINI: 38mm49mm (1.5in1.93in)
- **Magnets:** The adapter utilizes strong rareearth magnets. Keep metallic objects away from the adapter to avoid accidental attachment.
- **Weather Conditions:** Avoid using the adapter in extreme weather conditions that may compromise its integrity or performance.
- **Cleaning:** Regularly clean the adapter and your device to prevent dust and debris from affecting performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the MAGVIEW Phone Plate and the MAGVIEW S1 Scope Adapter.
- Clean the area of your phone where the Phone Plate will be adhered.

2. Adhering the Phone Plate:

- Remove the adhesive backing from the Phone Plate.
- Carefully position the Phone Plate on the back of your device, ensuring it is centered and securely attached.

3. Connecting the Adapter:

- Open the S1 cap.
- Align the Phone Plate with the magnets built into the S1 Scope Adapter.
- Gently connect the adapter to the Phone Plate, ensuring a secure attachment.

4. Positioning the Camera:

- Adjust your device's camera to the desired angle for filming.
- Ensure that the eyepiece is shielded from dust and precipitation when not in use.

5. Filming:

- Once positioned, you are ready to film. Ensure that you monitor the stability of the connection during use.

Disposal Instructions

- Dispose of the MAGVIEW S1 Scope Adapter and its components in accordance with local regulations.
- Do not dispose of electronic waste in regular trash. Check for local recycling programs for electronic devices.

Contact Information for Further Support

For safety inquiries or support, please refer to the manufacturer's website or contact their customer service team.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MAGVIEW S1 Scope Adapter. Thank you for your attention to safety and compliance. Enjoy your outdoor adventures!
