

MAGVIEW B1 BINOCULAR ADAPTER - WARNE MFG. COMPANY

MAGVIEW B1 BINOCULAR ADAPTER

MAGVIEW B1 BINOCULAR ADAPTER The B1 Binocular Adapter was designed to be the sleekest digiscoping system available on the market. No longer do you have to make the choice between stomping around your spotting scope to film or leaving it behind but missing the opportunity to capture footage at a distance. Impossibly small yet impressively strong, the B1 Adapter seamlessly integrates with your binocular of choice. Slip it onto the eyecup and tighten the retaining screw. That's it. A set it and forget it design does not impede normal use of the binocular, making this tool an efficient and practical addition to your kit. Together with the MAGVIEW Phone Plate, this system creates the ultimate light and fast digiscoping platform for steady, sharp photo and video, every time. Eyepiece Fitment: B1: 38.5mm-43mm (1.5in-1.7in) B1 XL: 44mm-48mm (1.73in-1.89in) Made in the USA. *Please note the MAGVIEW Phone Plate is not compatible with wireless phone chargers*

Safety Instruction Guide for MAGVIEW B1 Binocular Adapter

Introduction

Thank you for choosing the MAGVIEW B1 Binocular Adapter. This product is designed to enhance your digiscoping experience while ensuring your safety and the safety of others. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always ensure that the adapter is securely attached to your binocular before use to prevent accidents.
- Do not use the adapter in extreme weather conditions that could compromise its integrity or your safety.
- Keep the adapter and binoculars out of reach of children and pets when not in use.
- Regularly inspect the adapter for any signs of wear or damage. If any issues are found, discontinue use immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not attempt to disassemble or modify the adapter.
- Ensure that the eyepiece fitment is correct before use:
 - B1: 38.5mm43mm (1.5in1.7in)
 - B1 XL: 44mm48mm (1.73in1.89in)
- Avoid using the adapter while walking or moving to prevent falls or accidents.
- Use the adapter only with compatible binoculars to ensure safety and performance.
- If using a smartphone with the MAGVIEW Phone Plate, ensure that it is compatible and securely attached.

Instructions for Installation and Usage

1. Installation

- Select the appropriate adapter size based on your binocular eyepiece fitment.
- Slip the adapter onto the eyecup of your binocular.
- Tighten the retaining screw until the adapter is secure. Ensure it is firmly in place.

2. Usage

- Once installed, align your smartphone with the adapter's opening.
- Adjust the position of your smartphone to ensure a clear view through the binoculars.
- Use the MAGVIEW Phone Plate in conjunction with the adapter for optimal results.
- Capture images or videos as needed, ensuring that your focus remains on the subject.

3. PostUse Care

- After use, carefully remove the adapter from the binocular.
- Store the adapter in a safe place to avoid damage.
- Regularly clean the adapter with a soft, dry cloth to maintain its condition.

Disposal Instructions

- Dispose of the MAGVIEW B1 Binocular Adapter in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities for recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the MAGVIEW B1 Binocular Adapter, please refer to the product packaging or user manual for contact details of the manufacturer.

Thank you for your attention to these safety guidelines. Enjoy your digiscoping adventures with the MAGVIEW B1 Binocular Adapter!
