

MAGVIEW B1 BINOCULAR ADAPTER - WARNE MFG. COMPANY

MAGVIEW B1 XL BINOCULAR ADAPTER

MAGVIEW B1 BINOCULAR ADAPTER The B1 Binocular Adapter was designed to be the sleekest digiscoping system available on the market. No longer do you have to make the choice between stomping around your spotting scope to film or leaving it behind but missing the opportunity to capture footage at a distance. Impossibly small yet impressively strong, the B1 Adapter seamlessly integrates with your binocular of choice. Slip it onto the eyecup and tighten the retaining screw. That's it. A set it and forget it design does not impede normal use of the binocular, making this tool an efficient and practical addition to your kit. Together with the MAGVIEW Phone Plate, this system creates the ultimate light and fast digiscoping platform for steady, sharp photo and video, every time. Eyepiece Fitment: B1: 38.5mm-43mm (1.5in-1.7in) B1 XL: 44mm-48mm (1.73in-1.89in) Made in the USA. *Please note the MAGVIEW Phone Plate is not compatible with wireless phone chargers*

MAGVIEW B1 Binocular Adapter Safety Instructions

Introduction

Thank you for choosing the MAGVIEW B1 Binocular Adapter. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before using the adapter.

General Safety Guidelines

- Ensure that the adapter is used only for its intended purpose with compatible binoculars.
- Always inspect the adapter for any signs of damage before use. Do not use if damaged.
- Keep the adapter away from children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations when using this product in public spaces.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not attempt to modify or repair the adapter. Any alterations may compromise safety and performance.
- Avoid using the adapter in extreme weather conditions, such as heavy rain or strong winds, to prevent accidents.
- Ensure that the binoculars are securely attached to the adapter before use to avoid dropping or losing them.
- Be cautious when using the adapter in crowded areas to prevent accidental injuries to yourself or others.
- Do not use the adapter while operating a vehicle or in situations that require full attention.

Instructions for Installation and Usage

1. **Compatibility Check:** Ensure that your binoculars fit within the specified eyepiece dimensions: B1: 38.5mm43mm (1.5in1.7in) B1 XL: 44mm48mm (1.73in1.89in)
2. **Installation:**
 - Slip the B1 Adapter onto the eyecup of your binoculars.
 - Tighten the retaining screw securely to ensure a stable fit.
3. **Usage:**
 - Once installed, use your binoculars as you normally would. The adapter does not impede normal operation.
 - When capturing photos or videos, ensure that your smartphone is securely attached to the MAGVIEW Phone Plate (sold separately).
4. **PostUse Care:**
 - After use, remove the adapter from the binoculars if not needed.
 - Store the adapter in a dry, safe place away from direct sunlight and heat sources.

Disposal Instructions

- Dispose of the MAGVIEW B1 Binocular Adapter in accordance with local regulations regarding electronic waste and plastics.
- Do not dispose of the adapter in regular household waste.

- If the adapter is no longer usable, consider recycling it through designated electronic waste facilities.

Contact Information for Further Support

For any inquiries regarding safety concerns or product information, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy your MAGVIEW B1 Binocular Adapter responsibly and safely!
