

MAGVIEW PHONE PLATE - WARNE MFG. COMPANY MAGVIEW ADAPTER PHONE PLATE 3 PK

MAGVIEW PHONE PLATE The MAGVIEW Phone Plate is the heart of the MAGVIEW system. Incredibly thin and weighing in at less than 1/2 an ounce, you will never know it is there. Secured with a simple adhesive, attach the plate to the back of your phone or phone case and you'll be forever ready to click into the S1 or B1 adapters. Made from stainless steel, the plate will not impede signal receptivity - a key benefit of the MAGVIEW system. The magnets live in the adapters, not on your phone. SPECIFICATIONS: Dimensions: 2.5" x 3.25" Color: Matte Black. Sold in packs of 3. Made in the USA. *Please note the MAGVIEW Phone Plate is not compatible with wireless phone chargers*

MAGVIEW Phone Plate Safety Instructions

Introduction

Thank you for choosing the MAGVIEW Phone Plate, an essential component of the MAGVIEW system designed to enhance your mobile experience. This guide provides important safety information, installation instructions, and best practices to ensure safe and effective use of the product.

General Safety Guidelines

- The MAGVIEW Phone Plate is designed for safe use with mobile phones and cases.
- Do not use the Phone Plate with devices that are not compatible.
- Ensure that the adhesive is securely attached to the phone or phone case before use.
- Keep the Phone Plate out of reach of children to prevent accidental ingestion or injury.
- Regularly check the condition of the Phone Plate and replace it if any damage is observed.
- Avoid exposure to extreme temperatures and moisture to maintain the integrity of the adhesive and materials.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the Phone Plate, as this may compromise its safety and effectiveness.
- The Phone Plate is not compatible with wireless phone chargers; using it with such devices may cause malfunction.
- Avoid placing the Phone Plate near magnetically sensitive devices to prevent interference.
- If you experience any adverse reactions or issues while using the Phone Plate, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

Installation

1. **Clean the Surface:** Before installation, clean the back of your phone or phone case with a lint-free cloth to remove dust and oils.
2. **Peel Off Adhesive:** Carefully peel off the protective backing from the adhesive side of the Phone Plate.
3. **Position the Plate:** Align the Phone Plate on the desired location on the back of your phone or case.
4. **Press Firmly:** Press the Phone Plate firmly against the surface for a few seconds to ensure a strong bond.
5. **Allow to Set:** Let the adhesive set for at least 24 hours before using the Phone Plate with the S1 or B1 adapters.

Usage

- To use the Phone Plate, simply align it with the S1 or B1 adapters and click into place.
- Ensure that the Phone Plate is securely attached before using the adapters to prevent accidental detachment.

Disposal Instructions

- Dispose of the MAGVIEW Phone Plate in accordance with local regulations for electronic waste.
- Do not dispose of the Phone Plate in regular household waste.
- Consider recycling the materials where possible.

Contact Information for Further Support

For any safety inquiries or additional support regarding the MAGVIEW Phone Plate, please refer to the contact information provided on the product packaging or visit the official MAGVIEW website.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your MAGVIEW Phone Plate. Thank you for your attention to these important details. Enjoy your enhanced mobile experience!
