

MAGVIEW WIRELESS CHARING PHONE PLATE - WARNE MFG. COMPANY MAGVIEW ADAPTER WIRELESS CHARGING PHONE PLATE

MAGVIEW WIRELESS CHARING PHONE PLATE The MAGVIEW Wireless Charging Phone Plate allows your device to be attached to the MAGVIEW Binocular and Spotting Scope digiscope adapters without losing the ability to wirelessly charge. This magnetic plate is specifically sized to pair perfectly with our optic adapters to provide a firm hold on your optics to capture moments in the field. Made from a proprietary material the plate will not impede wireless charging or signal receptivity - a key benefit of the MAGVIEW system. The magnets live in the adapters, not on your phone. SPECIFICATIONS: Dimensions: 2.5" x 3.25" Color: Matte Black. Sold individually. Made in the USA. *Compatible with most wireless charging solutions

MAGVIEW Wireless Charging Phone Plate Safety Instructions

Introduction

Thank you for choosing the MAGVIEW Wireless Charging Phone Plate. This product is designed to enhance your experience with MAGVIEW Binocular and Spotting Scope digiscope adapters while allowing you to wirelessly charge your device. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

To ensure your safety and the proper functioning of the MAGVIEW Wireless Charging Phone Plate, please follow these general safety guidelines:

- Always use the product as intended according to the instructions provided.
- Keep the product out of reach of children and pets.
- Inspect the product regularly for any signs of damage or wear.
- Do not use the product if it is damaged or if any components are missing.
- Be cautious when using the product in wet or humid conditions to avoid electrical hazards.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

To maximize safety while using the MAGVIEW Wireless Charging Phone Plate, observe the following precautions:

- Ensure that the magnetic plate is securely attached to your device before use.
- Avoid exposing the magnetic plate to extreme temperatures or direct sunlight for extended periods.
- Do not attempt to modify or disassemble the product.
- Ensure that the device is compatible with most wireless charging solutions.
- Be aware that the magnetic plate may interfere with some medical devices, such as pacemakers. Consult a physician if you have concerns.

Instructions for Installation and Usage

Follow these steps for proper installation and usage of the MAGVIEW Wireless Charging Phone Plate:

1. Installation:

- Clean the surface of your device where the magnetic plate will be attached.
- Remove the adhesive backing from the magnetic plate.
- Carefully align the plate with the designated area on your device and press firmly to secure it in place.
- Allow the adhesive to set for a few minutes before use.

2. Usage:

- Attach your device with the magnetic plate to the MAGVIEW Binocular or Spotting Scope digiscope adapter.
- Ensure that the device is firmly held in place by the adapter magnets.
- When charging, place the device on a compatible wireless charging pad.
- Monitor the charging process to ensure it is functioning properly.

Disposal Instructions

When it is time to dispose of the MAGVIEW Wireless Charging Phone Plate, please follow these guidelines:

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not throw the product in regular household waste.
- If the product is damaged, take it to a designated recycling center for proper disposal.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please reach out to the designated EU contact point for assistance. This contact point can provide you with information on product recalls, safety updates, and further support.

By following these safety instructions, you can ensure a safe and enjoyable experience with the MAGVIEW Wireless Charging Phone Plate. Thank you for your attention to these important guidelines.
