[Firearms](#) > [Shotguns](#) > [Semi-Auto](#)

BERETTA A300 ULTIMA PATROL ELEVATE YOUR TACTICAL SET-UP with the new Beretta A300 Ultima Patrol – engineered to be ultra-reliable and easy to manipulate. Featuring the classic mechanisms of the venerable A300 platform, this new defense shotgun includes enlarged controls, an enhanced loading port, a thinner forend design with multiple M-Lok and QD sling mounting points, and a 7+1-shot extended magazine tube secured by a custom barrel clamp with integral M-Lok capability. ENLARGED CONTROLS Enlarged loading port and extended bolt release and bolt handle ensure faster reloading. An oversized and reversible safety button for easy manipulation in adverse conditions. AMPLE ACCESSORY MOUNTS Includes installed 7-slot Picatinny rail, 3 M-Lok mounting points, and 3 QD sling mounting points. Also compatible with Beretta 1301 Tactical after-market rail and optic mount accessories. CUSTOM BARREL CLAMP Barrel clamp includes integral M-Lok slots and a QD socket, which secures the 7+1-shot extended magazine tube. AGGRESSIVELY TEXTURED GRIP AREAS Specially designed forend with aggressive texturing in key areas to ensure superior control and comfort while shooting. A shortened compact stock with a 13" length-of-pull maximizes maneuverability and gun handling in confined spaces.

# Safety Instruction Guide for Beretta A300 Ultima Patrol 12 Gauge SemiAuto Shotgun

## Introduction

Thank you for choosing the Beretta A300 Ultima Patrol 12 Gauge SemiAuto Shotgun. This guide provides essential safety information and usage instructions to ensure safe and effective operation of your shotgun. Please read this document carefully before use.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Ensure the shotgun is unloaded when not in use or when being transported.
- Store firearms and ammunition separately, in a secure location inaccessible to children and unauthorized users.
- Regularly inspect your shotgun for any signs of damage or wear.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Ensure you are familiar with the operation of the shotgun before using it.
- Do not use ammunition that is not specified for this shotgun.
- Be aware of the potential for recoil and ensure proper stance and grip.
- Avoid using the shotgun in wet or damp conditions without proper care.
- Do not modify or alter the shotgun in any way that may affect its safety or performance.
- Always follow local laws and regulations regarding the use of firearms.

## Instructions for Installation and Usage

### 1. Unboxing and Initial Inspection

- Carefully remove the shotgun from the packaging.
- Inspect the shotgun for any visible damage or defects.
- Ensure all included accessories are present.

### 2. Loading the Shotgun

- Ensure the shotgun is pointed in a safe direction.
- Open the action and verify that the chamber is empty.
- Load the magazine tube with 7 rounds of appropriate 12gauge ammunition.
- Close the action securely.

### 3. Firing the Shotgun

- Assume a proper shooting stance with feet shoulderwidth apart.
- Grip the shotgun firmly with both hands.
- Place your finger on the trigger only when you are ready to shoot.
- Aim at your target and pull the trigger smoothly.
- After firing, be prepared for recoil and follow through.

#### **4. Clearing the Shotgun**

- After use, always unload the shotgun by opening the action and removing any remaining ammunition from the magazine and chamber.
- Inspect the shotgun to ensure it is clear of ammunition.

#### **5. Maintenance**

- Regularly clean your shotgun according to the manufacturer's instructions.
- Use appropriate cleaning materials and lubricants for maintenance.
- Store the shotgun in a cool, dry place when not in use.

### **Disposal Instructions**

- Dispose of any used ammunition and shotgun components in accordance with local regulations.
- Do not discard firearms or ammunition in regular trash.
- Contact local authorities or hazardous waste disposal services for guidance on proper disposal methods.

### **Contact Information for Further Support**

For any safety inquiries or support related to your Beretta A300 Ultima Patrol, please refer to the manufacturer's contact information provided in the product packaging or visit the official website.

### **Conclusion**

Your safety and the safety of others is paramount when using firearms. By following these guidelines and instructions, you can help ensure a safe and enjoyable shooting experience with your Beretta A300 Ultima Patrol 12 Gauge SemiAuto Shotgun. Always prioritize safety and responsibility in all firearmrelated activities.
