HILL COUNTRY II RIFLE CASE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Hill Country II Rifle Case by Evolution Outdoor, LLC. This guide provides essential safety information and instructions to ensure the safe use of your rifle case. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that all firearms are unloaded before placing them in the rifle case.
- Always store the rifle case in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the rifle case for any signs of wear or damage. Do not use if damaged.
- Familiarize yourself with the features of the rifle case to maximize its protective capabilities.
- Ensure that the case is properly zipped and closed before transport to prevent accidental opening.

Specific Safety Precautions for Use

- Use the rifle case only for its intended purpose: to securely store and transport firearms.
- Avoid exposing the rifle case to extreme temperatures, moisture, or direct sunlight for prolonged periods.
- Do not overload the storage pockets; adhere to the manufacturer's recommendations for storage capacity.
- When carrying the rifle case, use both hands for better control and stability.
- Keep the rifle case away from sharp objects that may puncture or damage the material.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the rifle is unloaded and free of ammunition.
- Open the rifle case by unzipping the main compartment.

2. Loading the Rifle:

- Place the rifle gently into the case, ensuring it fits securely without forcing it.
- If applicable, use the provided padding to protect the scope and other sensitive components.

3. Securing the Rifle:

- Close the main compartment zipper completely to ensure the rifle is securely enclosed.
- Use the webbing straps to secure the rifle if the case design includes this feature.

4. Storing Accessories:

- Utilize the two large front gusseted zippered pockets for storing necessary accessories such as ammunition, cleaning kits, or other gear.
- Ensure that all items are securely zipped within their respective pockets.

5. Transporting the Rifle Case:

- Use the durable carry handle or webbing straps for easy transport.
- Always keep the case upright during transport to avoid shifting of contents.

Disposal Instructions

- When the rifle case reaches the end of its life cycle, dispose of it in accordance with local waste management regulations.
- Consider recycling materials where applicable, especially if the case is made from recyclable materials.
