# Safety Instruction Guide for the President Series Rifle Case

## Introduction

Thank you for choosing the President Series Rifle Case by Evolution Outdoor, LLC. This guide provides essential safety instructions to ensure the proper use and maintenance of your rifle case. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that your rifle case is used solely for its intended purpose: to store and transport firearms safely.
- Regularly inspect the rifle case for any signs of wear and tear, and replace it if any damage is detected.
- Keep the rifle case out of reach of children and unauthorized users.
- In case of any safety concerns or product issues, report them to the relevant authorities or the EU contact point.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before placing it in the rifle case.
- Use the dual accessory pockets to store additional gear securely.
- Always secure the case properly using the leatherette flap pocket with metal buckles.
- Do not exceed the weight limit of the case to avoid damage or injury.
- Avoid exposing the case to extreme temperatures or moisture, which can compromise its protective features.

## Instructions for Installation and Usage

### 1. Unpacking the Rifle Case

- Remove the rifle case from its packaging.
- Inspect the case for any visible damage or defects.

### 2. Preparing the Firearm

- Ensure the firearm is completely unloaded.
- Check that all accessories and attachments are securely fastened.

### 3. Placing the Firearm in the Case

- Open the case and lay it flat on a stable surface.
- Place the firearm inside, ensuring it fits securely within the dual compound foam.
- Use the dual accessory pockets for any additional items, ensuring they do not interfere with the firearm.

### 4. Securing the Case

- Close the case and secure it using the leatherette flap pocket and metal buckles.
- Ensure that the wraparound carry handle is properly positioned for transportation.

### 5. Transporting the Case

- Carry the case using the wraparound handle, ensuring it is balanced and secure.

- Avoid carrying excessive weight in the case to maintain safety.

## **Disposal Instructions**

- Dispose of the rifle case responsibly in accordance with local waste management regulations.
- If the case is damaged beyond repair, consider recycling materials where possible.
- Do not incinerate the case, as it may release harmful substances.

## **Contact Information for Further Support**

For safety inquiries or concerns regarding the President Series Rifle Case, please refer to the appropriate EU contact point or consult the relevant authorities for assistance.

This safety instruction guide is designed to help you use the President Series Rifle Case safely and effectively. By following these guidelines, you can ensure the safety of yourself and others while enjoying your firearm. Thank you for your attention to these important safety measures.
