EVA Tactical Rifle Case Safety Instructions

Introduction

Thank you for choosing the EVA Tactical Rifle Case by Evolution Outdoor, LLC. This guide provides essential safety instructions to ensure the safe use and maintenance of your rifle case. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the rifle case is suitable for your firearm. The EVA Tactical Rifle Case is designed for firearms up to 42 inches in length.
- Always check the case for any signs of damage or wear before use. Do not use a damaged case.
- Keep the rifle case out of reach of children and vulnerable individuals.
- Store the rifle case in a dry and cool place to avoid material degradation.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- When transporting your firearm, ensure it is securely fastened within the case using the hook and loop tie straps.
- Avoid placing heavy objects on top of the rifle case during transport to prevent damage.
- Do not expose the rifle case to extreme temperatures or direct sunlight for extended periods, as this may affect the material integrity.
- Regularly inspect the foam padding for signs of wear. Replace it if it no longer provides adequate protection.
- Always ensure that the zipper pulls are fully closed before transporting the case.

Instructions for Installation and Usage

1. Preparing the Rifle Case:

- Unzip the case completely.
- Inspect the interior for any debris or foreign objects that may scratch your firearm.

2. Placing the Firearm in the Case:

- Place your firearm gently into the case, ensuring it is positioned correctly.
- Secure the firearm using the hook and loop tie straps provided. Make sure it is snug but not overly tight.

3. Storing Accessories:

- Utilize the interior zippered pockets for storing accessories such as magazines, cleaning kits, or other gear.
- Ensure that all items are securely stored to prevent movement during transport.

4. Closing the Case:

- After placing your firearm and accessories inside, close the case by zipping it completely.
- Check that the paracord zipper pulls are functioning correctly and are easy to access.

5. Transporting the Rifle Case:

- Use the tubbed top carry handles for comfortable transport.

- Always carry the case with both hands to maintain control and stability.

Disposal Instructions

- Dispose of the EVA Tactical Rifle Case responsibly.
- If the case is damaged beyond repair, consider recycling the materials where possible.
- Check local regulations for proper disposal of plastic and foam materials.
