# Safety Instructions for PLUG FOR KUNG FU GRIP

## Introduction

Thank you for choosing the PLUG FOR KUNG FU GRIP from Die Free Co. This product is designed to enhance your grip on firearms while providing storage for essential tools. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the PLUG is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the PLUG and its components out of reach of children and vulnerable individuals.
- Regularly inspect the PLUG for wear or damage, and discontinue use if any issues are found.
- Report any unsafe product experiences or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not overload the storage compartment with batteries or tools beyond the specified limits.
- Ensure that the grip is securely attached to the firearm before use.
- Avoid using the PLUG in wet or slippery conditions to prevent loss of grip.
- Be cautious when using tools stored in the PLUG to avoid injury.
- If you experience any discomfort while using the grip extension, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Installation:

- Remove any existing grip from your firearm if necessary.
- Align the PLUG with the grip mounting area of your firearm.
- Secure the PLUG in place according to the manufacturer's instructions.
- Ensure that the PLUG is firmly attached and does not wobble or shift.

### 2. Usage:

- Insert up to two CR123, AA, or AAA batteries into the storage compartment.
- Place a single CR2032 battery in the designated slot.
- Store a small Allen or Torx wrench and a MultiTasker NANO Tool in the available pockets.
- Hold the firearm with the PLUG installed, ensuring the grip extension is comfortable in your hand.

## Disposal Instructions

- Dispose of the PLUG and any batteries in accordance with local regulations.
- Do not throw the PLUG or batteries in the regular trash.
- Check for recycling options in your area for rubber and electronic components.
