MINIMALISTIC FIXED STOCK Safety Instruction Guide

Introduction

Thank you for choosing the MINIMALISTIC FIXED STOCK from Midwest Industries, Inc. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document carefully to understand the safety measures and proper usage of the stock.

General Safety Guidelines

- Always ensure compliance with all relevant federal, state, and municipal laws or statutes before using this product.
- Inspect the stock for any damage or defects before installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose. Misuse may lead to serious injury or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for updates on recalls or safety notices related to this product.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before attaching or detaching the stock.
- Always wear appropriate eye and ear protection when handling firearms.
- Do not exceed the weight limit for the stock as specified by the manufacturer.
- Be aware of your surroundings and ensure a safe environment when using the firearm.
- Avoid using the stock in adverse weather conditions that may affect its performance.
- Do not modify the stock in any way, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. Installation

- Make sure the firearm is completely unloaded.
- Align the stock with the receiver of the firearm.
- Securely attach the stock using the provided hardware, ensuring all connections are tight.
- Doublecheck the installation to ensure stability before use.

2. Usage

- Adjust the cheek piece and butt pad for optimal comfort and fit.
- Utilize the 5 QD sling attachments as needed for carrying and stability.
- Maintain a firm grip on the firearm when aiming and firing.
- After use, always clean and inspect the stock for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum and polymer materials.
- Do not burn or incinerate the stock as it may release harmful substances.
- Consider recycling the materials where facilities are available.

Contact Information for Further Support

For safety inquiries or additional support regarding the MINIMALISTIC FIXED STOCK, please refer to the manufacturer's contact information provided with your product. Ensure that you have the product's model and serial number available for reference.

By following these guidelines, you can ensure a safe and effective experience with your MINIMALISTIC FIXED STOCK. Thank you for your attention to safety and compliance.
