SHOTGUN STOCK FOR BERETTA 1301 SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SHOTGUN STOCK FOR BERETTA 1301 by MIDWEST INDUSTRIES, INC. This product is designed to improve your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use and maintain the product safely.

General Safety Guidelines

- Always handle firearms with care and in accordance with local laws and regulations.
- Ensure that the shotgun is unloaded before installing or adjusting the stock.
- Use the product only for its intended purpose.
- Regularly inspect the stock for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never modify the stock or shotgun in any way that could compromise safety.
- Follow all manufacturer instructions and warnings related to the use of firearms.

Specific Safety Precautions for Use

- Ensure the stock is securely attached to the shotgun before use.
- Use the integrated buffer to ensure proper functioning of the shotgun.
- Adjust the polymer cheek piece to suit your shooting style and optics.
- Be cautious when using the stock in adverse weather conditions (e.g., rain, snow) to maintain grip and control.
- Use the ambidextrous design correctly for both left and righthanded shooters.
- When using sling swivel sockets, ensure that slings are properly attached and secure.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Remove the existing stock from the Beretta 1301 by following the manufacturer's instructions.
- Align the new stock with the receiver of the shotgun.
- Securely fasten the stock to the receiver using the provided screws.
- Check that the stock is firmly attached and does not wobble.

2. Adjusting the Cheek Piece:

- Loosen the adjustment screws on the polymer cheek piece.
- Move the cheek piece to the desired height for optimal sight alignment.
- Tighten the screws to secure the cheek piece in place.

3. Using the Stock:

- Ensure the stock is properly fitted before taking aim.
- Adjust your grip using the MI-designed grip panels for better control.
- Utilize the MLOK® compatible slots for additional accessories if needed.

4. Maintenance:

- Regularly inspect the stock for any signs of damage or wear.
- Clean the stock with a damp cloth and mild detergent as needed.
- Store the shotgun in a safe and dry location when not in use.

Disposal Instructions

- At the end of its life cycle, dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods of aluminum and plastic components.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided with the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SHOTGUN STOCK FOR BERETTA 1301. Thank you for your attention to safety and for choosing MIDWEST INDUSTRIES, INC.
