# Safety Instruction Guide for SHOTGUN STOCK FOR MOSSBERG 590

## Introduction

Thank you for choosing the SHOTGUN STOCK FOR MOSSBERG 590 manufactured by MIDWEST INDUSTRIES, INC. This safety instruction guide is designed to help you understand the safe use, installation, and maintenance of this product. Please read this guide thoroughly before using the shotgun stock to ensure your safety and the safety of others.

## General Safety Guidelines

- Ensure that the shotgun stock is compatible with Mossberg 590 shotguns before installation.
- Always handle firearms with care and follow basic firearm safety rules.
- Keep the shotgun stock and all firearms out of reach of children and unauthorized users.
- Regularly inspect the shotgun stock for any signs of wear or damage before use.
- If you notice any defects or malfunctions, do not use the product and contact a qualified gunsmith.
- Always use appropriate personal protective equipment (PPE) when handling firearms.
- Be aware of your surroundings and ensure a safe environment when using the firearm equipped with this stock.

## Specific Safety Precautions for Use

- The polymer cheek piece is designed for adjustability; ensure it is securely positioned before use.
- The ambidextrous design allows for use by both left and righthand shooters; familiarize yourself with the stock's features before use.
- The exclusive Midwest Industries butt pad helps reduce felt recoil; ensure it is properly fitted to maintain a secure shoulder fit.
- Be cautious when using the antirotation QD swivel sockets; ensure that slings are properly attached to avoid accidents.
- The grip panels provide texture for better handling; ensure they are clean and free of moisture to maintain grip.
- Always use the shotgun stock in accordance with local laws and regulations regarding firearm usage.

## Instructions for Installation and Usage

### Installation

1. **Check Compatibility:** Ensure that the shotgun stock is compatible with your Mossberg 590 shotgun model.
2. **Gather Tools:** You may need basic tools such as a screwdriver and Allen wrench for installation.
3. **Remove the Factory Stock:** Carefully remove the factory stock from your Mossberg 590, following the manufacturer's guidelines.
4. **Attach the New Stock:** Align the SHOTGUN STOCK FOR MOSSBERG 590 with the mounting points on the shotgun. Securely fasten it using the appropriate screws and tools provided.
5. **Adjust the Cheek Piece:** Set the polymer cheek piece to your preferred height for optimal use with your sights or optics.
6. **Inspect the Installation:** Ensure all screws are tightened and the stock is securely attached before use.

### Usage

- Always ensure the firearm is unloaded before handling or adjusting the shotgun stock.
- Practice safe handling techniques when using the shotgun equipped with this stock.
- Regularly check the stock's integrity and ensure all components are functioning properly.

- If you are unfamiliar with handling firearms, seek guidance from a qualified instructor or professional.

## **Disposal Instructions**

- Dispose of the shotgun stock and any associated components in accordance with local regulations for waste disposal.
- If the product is damaged beyond repair, consider recycling the materials where applicable.
- Never dispose of firearms or firearm accessories in a manner that could pose a risk to others or the environment.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the SHOTGUN STOCK FOR MOSSBERG 590, please refer to the contact details provided by the manufacturer or retailer where you purchased the product.

This safety instruction guide is intended to ensure your safe use of the SHOTGUN STOCK FOR MOSSBERG 590. Always prioritize safety and follow the guidelines outlined in this document. Thank you for your attention to these important safety instructions.
