# SHOTGUN SHELL HOLDER PLATE BUNDLE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the SHOTGUN SHELL HOLDER PLATE BUNDLE from MIDWEST INDUSTRIES, INC. This product is designed to provide quick access to your shotgun shells while ensuring safety and efficiency. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms and ammunition with care and in accordance with applicable laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the SHOTGUN SHELL HOLDER PLATE BUNDLE with compatible shotgun stocks from MIDWEST INDUSTRIES, INC.
- Do not attempt to modify the product in any way, as this may compromise safety and functionality.
- Ensure that the shotgun shells are securely held in place before handling the firearm.
- Avoid exposing the product to extreme temperatures or harsh chemicals that could damage the materials.
- Always check that the mounting plate is securely attached before use.
- Do not exceed the recommended capacity of 5 rounds in the shell holder.

## Instructions for Installation and Usage

### Installation Steps

1. **Gather Tools:** Have the necessary tools ready for installation, such as a screwdriver.
2. **Select Location:** Choose a suitable location on your shotgun stock for mounting the shell holder plate.
3. **Align Plate:** Position the mounting plate on the selected area, ensuring it is level and properly aligned.
4. **Secure Plate:** Use the appropriate screws to secure the mounting plate firmly to the shotgun stock.
5. **Check Stability:** Ensure that the plate is stable and does not wobble or move when touched.

### Usage Steps

1. **Load Shells:** Carefully load up to 5 rounds of 12 Ga shotgun shells into the shell holder.
2. **Check Security:** Ensure that all shells are securely held in place before handling the firearm.
3. **Access Shells:** When needed, quickly and safely retrieve the shells from the holder without removing the firearm from a stable position.
4. **Unload Safely:** When finished, ensure the firearm is unloaded before removing shells from the holder.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and plastic waste.
- If the product is damaged beyond repair, ensure it is safely disposed of to prevent any risk of injury.

- Recycle materials whenever possible to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries or support related to this product, please refer to the official MIDWEST INDUSTRIES, INC. website or contact your local distributor for assistance.

By following these safety instructions, you can ensure a safe and efficient experience with your SHOTGUN SHELL HOLDER PLATE BUNDLE. Thank you for your attention to these important safety guidelines.
