UD Double Thumb Rest Grip Safety Instruction Guide

Introduction

Thank you for choosing the UD Double Thumb Rest Grip. This product is designed to enhance your shooting experience by providing consistent accuracy and a comfortable grip. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the UD Double Thumb Rest Grip is compatible with your firearm before installation.
- Handle all firearms with care and always treat them as if they are loaded.
- Keep the grip and your firearm in a safe and secure location, out of reach of children and unauthorized users.
- Regularly inspect the grip for any signs of wear or damage. If any defects are found, discontinue use immediately.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the grip is securely attached to your firearm before use.
- Do not exceed the maximum grip thickness of 1.25 inches when installing the grip.
- Always maintain a proper shooting stance and grip to avoid strains or injuries.
- Use the thumb rests provided on each side to support your grip during shooting.
- Keep your index finger away from the trigger until you are ready to shoot.
- Avoid using the grip in wet or slippery conditions to prevent loss of control.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe to handle.
- Align the UD Double Thumb Rest Grip with the grip area of your firearm.
- Securely attach the grip according to the manufacturer's instructions.
- Verify that the grip is firmly in place before proceeding to use your firearm.

2. Usage:

- Hold the firearm with both hands, using the thumb rests to stabilize your grip.
- Position your index finger away from the trigger until you are prepared to fire.
- Maintain a straight back pressure to the trigger for optimal accuracy.
- Practice shooting in a safe environment to become familiar with the grip.

Disposal Instructions

- Dispose of the UD Double Thumb Rest Grip in accordance with local regulations.
- If the grip is damaged or no longer usable, ensure it is properly recycled or disposed of to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the UD Double Thumb Rest Grip, please refer to the manufacturer's contact details available on the packaging or product documentation. Ensure you follow up with the manufacturer for any safety inquiries, product support, or warranty claims.
