Safety Instruction Guide for the UD ARCA DYNALOCK RAIL

Introduction

Thank you for choosing the UD ARCA DYNALOCK RAIL. This guide provides essential safety instructions and information for the safe installation and use of your product. Please read this guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the installation instructions carefully to avoid potential hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for wear and damage before use.
- In case of any malfunction or damage, discontinue use immediately and seek professional assistance.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the rail.
- Ensure that the firearm is unloaded before installation of the rail.
- Do not exceed the specified weight limits for accessories mounted on the rail.
- Use only the fasteners provided or recommended by a qualified gunsmith for installation.
- Avoid any modifications to the rail that are not specified in the product instructions.
- Be aware of your surroundings and ensure a safe environment when using the firearm with the rail attached.

Instructions for Installation and Usage

1. Installation Preparation

- Ensure that you have all necessary tools and fasteners provided in the packaging.
- Verify that the installation area is clean and free from obstructions.

2. Installation Steps

- **Step 1:** Align the rail with the MLOK slots on your firearm.
- **Step 2:** Use the provided fasteners to secure the rail, ensuring that the hole spacing matches the specifications:
 - 3.00" – 4 holes
 - 6.15" – 8 holes
 - 9.30" – 12 holes
 - 12.45" – 16 holes
- **Step 3:** Tighten the fasteners securely, but do not overtighten as this may cause damage.
- **Step 4:** Check the stability of the rail by gently pulling on it to ensure it is firmly attached.

3. Usage Instructions

- Attach compatible accessories, ensuring they are securely fastened.
- Regularly inspect the rail and accessories for signs of wear or damage.
- If using the Orbit Ballhead with Dynalock, ensure it is properly secured before use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the rail is damaged beyond repair, dispose of it responsibly at a designated electronic waste facility.

Contact Information for Further Support

For additional support, please refer to the manufacturer's website or contact your local distributor. Ensure that you have your product details handy for a quicker response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
