

UD AR-15 SOLID ADJUSTABLE GAS BLOCK - ULTRADYNE USA UD AR-15 SOLID ADJUSTABLE GAS BLOCK .750" BLACK SS

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

UD AR-15 SOLID ADJUSTABLE GAS BLOCK The UD Gas Block allows you to custom tune a rifles performance to a specific rifle and ammunition combination. Having a gas block adjusted precisely allows the bolt carrier group to cycle only hard enough to extract and feed the new round into the chamber without hammering hard against the receiver extension. The adjustability can easily improve the performance of any rifle, but it is especially important for the competitive shooter or when using hotter ammo or a suppressor which sends significantly more gas rearward. The UD Gas Block allows for a smoother, cleaner and cooler cycle which improves performance by leveling the feel of the shot and reducing recoil. This results in quicker, more accurate follow up shots. A perfectly tuned UD Gas Block also neutralizes the increased gas pressure created by hot ammo and suppressors which minimizes wear and tear on a rifle and creates less fouling, so your rifle continues to function flawlessly for years to come. FEATURES: 16 levels of adjustment Ability to be disassembled and cleaned Lightweight 100% Machined in the USA UD Gas Block Technical Specs SPECIFICATIONS: MATERIAL: 416 Stainless Steel FINISH: Salt Bath Nitride

Attributes

- Name: [ULTRADYNE USA UD AR-15 SOLID ADJUSTABLE GAS BLOCK .750" BLACK SS](#)
- Manufacturer: [ULTRADYNE USA](#)
- Product no.: 430112495
- Mfr. No.: UD12001
- Inside Diameter: .750
- Material: 416 Stainless Steel
- Style: Screw
- Weapon type: AR-15
- Delivery weight: 0.074kg
- Shipping height: 235mm
- Shipping width: 102mm
- Shipping length: 44mm
- UPC: 850011462386

UD AR15 Solid Adjustable Gas Block Safety Instruction Guide

Introduction

Thank you for choosing the UD AR15 Solid Adjustable Gas Block. This guide provides essential safety instructions to ensure the safe use of your gas block. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Always ensure the gas block is compatible with your specific AR15 model before installation.
- Inspect the gas block for any visible damage or defects before use.
- Use only the recommended ammunition types for your rifle to avoid malfunctions.
- Keep the gas block and surrounding areas clean and free from debris to ensure proper functioning.
- Always follow firearm safety practices when handling your rifle.
- Store the gas block in a safe, dry place when not in use.

Specific Safety Precautions for Use

- Ensure the rifle is unloaded before installing or adjusting the gas block.
- Make adjustments to the gas block only when the rifle is in a safe, controlled environment.
- Do not exceed the recommended adjustment levels; refer to the specifications for the correct settings.
- Be aware of the increased gas pressure when using hotter ammunition or suppressors.
- If you experience excessive recoil or malfunction, cease use immediately and consult a qualified gunsmith.
- Always wear appropriate eye and ear protection when firing your rifle.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and in a safe position.
- Remove the existing gas block if applicable.
- Clean the area where the new gas block will be installed.
- Position the UD Gas Block on the gas tube and secure it using the provided screws.
- Tighten the screws evenly to avoid misalignment.
- Confirm that the gas block is securely attached and properly aligned.

2. Adjustment:

- Use the adjustment tool to modify the gas flow.
- Start with a lower setting and gradually increase as needed.
- Test the rifle after each adjustment to ensure proper cycling.
- Document your settings for future reference.

3. Usage:

- After installation, fire the rifle in a safe environment.
- Monitor the performance and adjust the gas block as necessary for optimal cycling.
- Regularly check the gas block for signs of wear or damage.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the gas block is damaged beyond repair, contact your local waste disposal service for guidance on proper disposal methods.
- Do not dispose of the gas block in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or performance of the UD AR15 Solid Adjustable Gas Block, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the UD AR15 Solid Adjustable Gas Block.
