

TRIGGER FOR SMITH & WESSON M&P 1.0/2.0 - CNC TRIGGER FOR SMITH & WESSON M&P 1.0/2.0 - BLACK/GOLD

TRIGGER FOR SMITH & WESSON M&P 1.0/2.0 Tyrant CNC Trigger for Smith & Wesson M&P Handguns - Precision Engineering Meets Functional Excellence

Introducing the top performing M&P Pistol Trigger: The Tyrant CNC made Smith & Wesson M&P trigger for both 1.0 and 2.0 Generation guns. Whether you're handling a full-size or compact model, Tyrant's M&P 1.0/2.0 trigger is engineered to enhance the functionality and efficiency of your firearm. A reduced take up and crisp break makes this trigger a must-have upgrade for all M&P handgun enthusiasts. Works with 9mm, 10mm, and .45 caliber models. Comprehensive Compatibility: This trigger is meticulously crafted to fit Smith & Wesson M&P 1.0/2.0 full-size and compact models. This universal compatibility ensures that no matter which M&P trigger you need, you'll experience the unparalleled benefits of the Tyrant CNC M&P Trigger. This includes both the first and second generations of the M&P series, providing a versatile solution for a wide range of users.

Innovative Design Features: Center Body Safety Blade Design: At the core of our trigger's design is the center body safety blade. This crucial feature maintains the inherent safety of your firearm while offering an unimpeded, smooth trigger pull. It is a testament to Tyrant's commitment to safety without compromising performance. Crisp 90-Degree Break: Their S&W M&P Trigger is characterized by its crisp 90-degree break, allowing for a sharp and precise trigger action. This feature is essential for shooters who demand accuracy and control in every shot. Straight Bladed Trigger: Their straight bladed trigger design is not just about aesthetics; it offers functional benefits including improved finger placement and enhanced trigger control. This design results in a more intuitive and responsive shooting experience. Technical Advantages: Utilizes Stock/OEM Components: Their trigger for the Smith & Wesson M&P is engineered to work seamlessly with your handgun's existing components. This ease of integration means no additional modifications are necessary, ensuring a straightforward installation process. Rapid Reset Mechanism: Designed for minimal split times between shots, their M&P trigger shoe's rapid reset feature is a game-changer for competitive shooters. This fast and short travel reset allows for quicker follow-up shots, giving you an edge in both competitive and tactical scenarios.

All-Aluminum Construction: Durability is a cornerstone of the Tyrant CNC made Smith and Wesson Trigger. Constructed entirely from high-grade aluminum, this trigger is built to withstand rigorous use, ensuring longevity and reliability. Engineered for All Shooters: Balanced for Competitive and Hard Use: Whether you're a competitive shooter aiming for precision or a tactical user looking for reliability, their trigger is the perfect combination. It offers a balance between a competitive trigger's responsiveness and the ruggedness required for hard use. Reduced Take-Up: Their trigger reduces take-up, or pre-travel, allowing for a more direct and responsive trigger pull. This reduction in take-up enhances shooting precision, providing a more immediate connection between your intention and the firearm's response. Extended Benefits and Usage: Ergonomic Design for Comfort and Control: The ergonomic design of the Tyrant CNC Trigger contributes to a comfortable shooting experience. The trigger's shape and surface are optimized for consistent finger placement, reducing fatigue and improving control. Enhanced Aesthetics: Beyond performance, this trigger also adds a sleek, modern look to your M&P handgun. Its design complements the firearm, making it not only a functional upgrade but also an aesthetic enhancement. Your Trusted Upgrade: At Tyrant CNC, they pride themselves on engineering excellence. Their triggers are the result of exhaustive research and development, aimed at delivering the best possible experience for M&P handgun owners. With the Tyrant CNC Trigger, you're not just upgrading a component; you're transforming your shooting experience.

Sicherheitshinweise für den TRIGGER FÜR SMITH & WESSON M&P 1.0/2.0 TYRANT CNC

Einführung

Herzlichen Glückwunsch zum Kauf des Tyrant CNC Abzugs für Smith & Wesson M&P 1.0/2.0. Dieser Abzug wurde entwickelt, um die Leistung und Effizienz deiner Feuerwaffe zu verbessern. Bitte lese diese Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du das Produkt sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Verwende den Abzug nur in Übereinstimmung mit den Anweisungen des Herstellers.
- Halte den Abzug und die Feuerwaffe immer außerhalb der Reichweite von Kindern und unbefugten Personen.
- Überprüfe regelmäßig den Zustand des Abzugs und der Feuerwaffe auf Abnutzung oder Beschädigungen.
- Achte darauf, dass du nur mit zugelassenen Munitionstypen schießt, die für deine Feuerwaffe geeignet sind.
- Melde unsichere Produkte oder Vorfälle sofort den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende beim Umgang mit der Feuerwaffe immer Gehörschutz und Schutzbrille.
- Halte den Abzug und die Feuerwaffe in einem sicheren Zustand, wenn sie nicht in Gebrauch sind.
- Betätige den Abzug niemals, während die Feuerwaffe auf andere Personen zeigt.
- Vergewissere dich, dass die Feuerwaffe entladen ist, bevor du den Abzug installierst oder wartest.
- Sei dir der Gesetze und Vorschriften zur Verwendung von Feuerwaffen in deinem Land bewusst.

Anweisungen für Installation und Nutzung

Installation

1. Stelle sicher, dass die Feuerwaffe entladen ist.
2. Entferne den vorhandenen Abzug gemäß der Bedienungsanleitung deiner Smith & Wesson M&P.
3. Installiere den Tyrant CNC Abzug, indem du die mitgelieferten Anweisungen befolgst.
4. Überprüfe die Funktionalität des Abzugs, bevor du die Feuerwaffe wieder in Betrieb nimmst.

Nutzung

- Halte beim Schießen eine stabile Haltung und ziele sorgfältig.
- Betätige den Abzug sanft, um eine präzise Schussabgabe zu gewährleisten.
- Achte auf die Rückstoßwirkung der Feuerwaffe und passe deine Haltung entsprechend an.
- Nach dem Schießen, überprüfe den Zustand des Abzugs und der Feuerwaffe auf mögliche Schäden.

Entsorgungsanweisungen

- Entsorge den Abzug und andere Teile der Feuerwaffe gemäß den örtlichen Vorschriften für gefährliche Abfälle.
- Informiere dich über die richtigen Entsorgungsmethoden für Metall und andere Materialien, die in der Konstruktion des Abzugs verwendet werden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung wende dich bitte an den Hersteller oder an einen autorisierten Fachhändler. Stelle sicher, dass du alle relevanten Informationen zu deinem Produkt bereithältst, um eine schnelle und effiziente Unterstützung zu erhalten.

Bitte beachte, dass diese Sicherheitshinweise dazu dienen, dich und andere zu schützen. Die Sicherheit liegt in deiner Verantwortung.

Safety Instruction Guide for Tyrant CNC Trigger for Smith & Wesson M&P 1.0/2.0

Introduction

Thank you for choosing the Tyrant CNC Trigger for your Smith & Wesson M&P 1.0/2.0 handgun. This guide provides essential safety instructions, installation procedures, and general usage guidelines to ensure a safe and effective experience with your new trigger. Please read this guide carefully to understand the safe use of your product.

General Safety Guidelines

- **Product Safety:** Ensure that your trigger is installed correctly and used according to the instructions provided. Improper use may lead to accidents or injury.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided to remedy the situation.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations to guarantee that you receive a safe product.
- **Special Consumer Focus:** Keep this product out of reach of children and ensure that it is used only by individuals trained in firearm safety.
- **EU Contact Point:** For safety inquiries, refer to the relevant EU contact point for guidance.
- **Rapid Alerts:** Check the EU's Safety Gate platform regularly for updates on unsafe products.

Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand the user manual before using the trigger.
- **Wear Protective Gear:** Use appropriate safety gear, including eye protection and hearing protection, when handling firearms.
- **Check Compatibility:** Ensure that the Tyrant CNC Trigger is compatible with your specific model of Smith & Wesson M&P handgun.
- **Inspect the Trigger:** Before each use, inspect the trigger for any signs of wear or damage. Do not use if damaged.
- **Avoid Modifications:** Do not modify the trigger or any firearm components. Modifications can compromise safety and performance.
- **Store Safely:** Store the firearm and trigger in a secure location, away from unauthorized users, especially children.
- **Follow Local Laws:** Adhere to all local laws and regulations regarding firearm use and modifications.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Work Area:** Ensure that you have a clean, welllit workspace free of distractions.
2. **Safety First:** Ensure that your firearm is unloaded and that the magazine is removed.
3. **Remove the Factory Trigger:**
 - Follow the manufacturer's instructions to safely disassemble your firearm.
 - Carefully remove the existing trigger from the firearm.
4. **Install the Tyrant CNC Trigger:**
 - Align the Tyrant CNC Trigger with the trigger housing.
 - Secure the trigger in place according to the installation instructions provided with the product.
5. **Reassemble the Firearm:** Follow the manufacturer's guidelines to reassemble your firearm.
6. **Function Test:** Once reassembled, conduct a function test to ensure that the trigger operates correctly.

Usage Instructions

- **Proper Handling:** Always handle your firearm with care, treating it as if it is loaded at all times.
- **Shooting Position:** Use an appropriate shooting stance and grip for maximum control and safety.
- **Trigger Control:** Practice proper trigger control to ensure accuracy and prevent accidental discharges.
- **Regular Maintenance:** Clean and maintain your trigger and firearm regularly to ensure optimal performance.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- **Recycling:** If possible, recycle the trigger components to minimize environmental impact.

Contact Information for Further Support
