

ZERO S-SERIES SIZING DIES - AREA 419 ZERO S-SERIES 6MM DASHER SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

ZERO S-SERIES SIZING DIES Following the resounding success of our M-Series Sizing Die, the mission became to take as many of those industry-leading features as possible and push them into a traditional 7/8" die, keeping the price point under \$300. Introducing the ZERO S-Series Sizing Die. KEY FEATURES Precision Ground Expander Mandrels (all dies ship with a .002 neck tension mandrel, or add more increments with our MANDREL KIT) Full-Length Neck to Extractor Sizing Spring Ejection for Spent Primers Replaceable Steel Decap Pins Reamer Cut to Exact Dimensions for a TRUE Size (no more sticky bolt after the second firing) Hydraulic Shoulder Pressure Relief 100% Made in AMERICA NOTE: This is for a Die-Only. These dies do not come with a shellholder. They are compatible with common shellholders from Redding, Hornady, RCBS, etc. They are also compatible with our ZERO Modular Shellholder System All dies ship with an Area 419 ZERO Universal Die Ring, a spare decapping pin and necessary install/removal tools. After testing them all, and finding everything Area 419 like and didn't like, and working with thousands of customers and a variety of industry partners, they believe this is what a 7/8" sizing die should be.

ZERO SSeries Sizing Die Safety Instruction Guide

Introduction

Thank you for choosing the ZERO SSeries Sizing Die. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide thoroughly before using the die to understand potential hazards and safety measures.

General Safety Guidelines

- Ensure safe use of the ZERO SSeries Sizing Die by following these guidelines:
 - Always handle the die with care and keep it in a safe place when not in use.
 - Read all instructions and safety information before using the die.
 - Use the die only for its intended purpose as described in this guide.
 - Keep the die out of reach of children and pets.
 - Inspect the die regularly for any signs of wear or damage before use.
 - If you notice any defects or issues, discontinue use immediately and contact a qualified professional.

Specific Safety Precautions for Use

- To avoid potential hazards, please adhere to the following precautions:
 - Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the die.
 - Ensure your work area is clean, welllit, and free of any hazards.
 - Do not exceed the recommended specifications for the die, including pressure limits and cartridge types.
 - Avoid using the die if you are tired, distracted, or under the influence of substances that may impair your judgment.
 - Always follow safe practices when handling ammunition and reloading components.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the ZERO SSeries Sizing Die:

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the ZERO SSeries Sizing Die into the reloading press's die holder.
- Tighten the die securely to prevent movement during operation.

2. Usage:

- Set the desired neck tension by selecting the appropriate expander mandrel.
- Insert the cartridge case into the die and ensure it is properly aligned.
- Operate the reloading press to size the case, applying steady and even pressure.
- After sizing, remove the case and inspect it for proper dimensions and any signs of damage.
- Clean the die regularly to maintain its performance and longevity.

Disposal Instructions

- Proper disposal of the ZERO SSeries Sizing Die is essential to ensure safety and environmental protection:
 - When the die is no longer usable or has reached the end of its life, dispose of it in accordance with

local regulations.

- Do not dispose of the die in regular household waste. Check with local waste management authorities for proper disposal methods.
- If the die is damaged, ensure it is safely stored until it can be disposed of properly to prevent any injury.

Contact Information for Further Support

- For any safety inquiries or concerns regarding the ZERO SSeries Sizing Die, please contact the manufacturer or your local distributor. Ensure you have your product details handy for a more efficient response.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the ZERO SSeries Sizing Die.
