ZERO S SERIES SIZING DIES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the ZERO S Series Sizing Die. This guide provides essential safety instructions to ensure safe and effective use of the product. It is important to read and understand these guidelines to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ZERO S Series Sizing Die by following all instructions and safety precautions outlined in this guide.
- **Enhanced Recalls:** Be aware that in the event of a safety issue, standardized recall notices will be issued, and remedies will be provided free of charge.
- **Online Shopping:** If purchased online, you are entitled to the same safety protections as if purchased in a physical store.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, particularly children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Read All Instructions:** Before using the die, read all instructions and safety information provided in this guide.
- **Use Appropriate Shellholders:** Ensure compatibility with common shellholders from Redding, Hornady, RCBS, etc. Do not use incompatible shellholders.
- **Inspect Before Use:** Check the die for any damage or defects before installation. Do not use if damaged.
- **Wear Safety Gear:** Always wear appropriate safety gear, including eye protection, when using the die.
- **Keep Out of Reach of Children:** Store the die and all related tools in a secure location away from children.
- **Avoid Overloading:** Do not exceed the recommended load specifications for the die to prevent malfunction or injury.
- **Proper Ventilation:** Use the die in a wellventilated area to avoid inhaling any dust or particles generated during use.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Select the appropriate shellholder that is compatible with the ZERO S Series Sizing Die.
- Insert the die into the press and tighten securely according to the manufacturer's specifications.

2. Usage:

- Prepare your brass cases by cleaning them thoroughly before sizing.
- Insert the brass case into the shellholder.
- Operate the press slowly and steadily, applying consistent pressure.
- After sizing, inspect the case for proper sizing and any signs of damage.
- Eject the spent primer using the spring ejection feature.

3. **PostUse Care:**

- Clean the die after each use to prevent buildup of debris.
- Store the die in a safe, dry location when not in use.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For assistance, please refer to the official website or contact the designated support channels for further inquiries regarding the ZERO SSeries Sizing Die.
