[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

**ZERO S-SERIES SIZING DIES** Following the resounding success of our M-Series Sizing Die, the mission became to take as many of those industry-leading features as possible and push them into a traditional 7/8" die, keeping the price point under \$300. Introducing the ZERO S-Series Sizing Die. KEY

**FEATURES** Precision Ground Expander Mandrels (all dies ship with a .002 neck tension mandrel, or add more increments with our MANDREL KIT) Full-Length Neck to Extractor Sizing Spring Ejection for Spent Primers Replaceable Steel Decap Pins Reamer Cut to Exacting Dimensions for a TRUE Size (no more sticky bolt after the second firing) Hydraulic Shoulder Pressure Relief 100% Made in AMERICA NOTE: This is for a Die-Only. These dies do not come with a shellholder. They are compatible with common shellholders from Redding, Hornady, RCBS, etc. They are also compatible with our ZERO Modular Shellholder System All dies ship with an Area 419 ZERO Universal Die Ring, a spare decapping pin and necessary install/removal tools. After testing them all, and finding everything Area 419 like and didn't like, and working with thousands of customers and a variety of industry partners, they believe this is what a 7/8" sizing die should be.

# ZERO SSERIES SIZING DIES SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the ZERO SSeries Sizing Die. This product is designed to provide precision and reliability for your reloading needs. To ensure safe and effective use of this product, please read this safety instruction guide carefully. It contains important information regarding safe handling, installation, usage, and disposal.

## General Safety Guidelines

- Always ensure that the die is compatible with your reloading equipment before use.
- Read and understand all instructions and warnings provided with the product.
- Use the die only for its intended purpose, which is for resizing 6.5 Creedmoor cartridges.
- Keep the die and all reloading components out of reach of children and untrained individuals.
- Inspect the die regularly for any signs of wear or damage before each use.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading materials.
- In case of any accidents or unsafe conditions, report them to the relevant authorities.

## Specific Safety Precautions for Use

### • Handling:

- Always handle the die with care to avoid injury or damage.
- Do not attempt to modify or alter the die in any way.

### • Installation:

- Ensure that the die is securely installed in your reloading press before use.
- Follow the manufacturer's instructions for installation carefully.

### • Usage:

- Verify that the die is clean and free from debris before use.
- Use only the recommended mandrels for resizing to avoid excessive neck tension.
- Do not exceed the recommended pressure settings during resizing.

### • Storage:

- Store the die in a cool, dry place when not in use.
- Keep the die in its original packaging or a protective case to prevent damage.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the die from its packaging and inspect it for any damage.
- Securely install the die into your reloading press according to the manufacturer's guidelines.
- Ensure that the die is tightened properly to avoid any movement during operation.

### 2. Usage:

- Select the appropriate mandrel based on the desired neck tension.
- Insert the cartridge case into the die and apply steady pressure to resize the case.
- Follow the reloading process as per standard operating procedures, including priming and powder charging.
- After resizing, check the case dimensions to ensure proper sizing.

## **Disposal Instructions**

- Dispose of any defective or damaged dies in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the die in regular household waste if it is damaged or contains hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the ZERO SSeries Sizing Die, please refer to the contact information provided in the product packaging or on the manufacturer's website.

Thank you for prioritizing safety and for choosing the ZERO SSeries Sizing Die. Enjoy your reloading experience!
