

# ZERO S-SERIES SIZING DIES - AREA 419 ZERO S-SERIES 308 WINCHESTER SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

ZERO S-SERIES SIZING DIES Following the resounding success of our M-Series Sizing Die, the mission became to take as many of those industry-leading features as possible and push them into a traditional 7/8" die, keeping the price point under \$300. Introducing the ZERO S-Series Sizing Die. KEY FEATURES Precision Ground Expander Mandrels (all dies ship with a .002 neck tension mandrel, or add more increments with our MANDREL KIT) Full-Length Neck to Extractor Sizing Spring Ejection for Spent Primers Replaceable Steel Decap Pins Reamer Cut to Exact Dimensions for a TRUE Size (no more sticky bolt after the second firing) Hydraulic Shoulder Pressure Relief 100% Made in AMERICA NOTE: This is for a Die-Only. These dies do not come with a shellholder. They are compatible with common shellholders from Redding, Hornady, RCBS, etc. They are also compatible with our ZERO Modular Shellholder System All dies ship with an Area 419 ZERO Universal Die Ring, a spare decapping pin and necessary install/removal tools. After testing them all, and finding everything Area 419 like and didn't like, and working with thousands of customers and a variety of industry partners, they believe this is what a 7/8" sizing die should be.

# ZERO SSERIES SIZING DIES SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the ZERO SSeries Sizing Die. This product is designed to provide precision and reliability for your reloading needs. To ensure safe and effective usage, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the ZERO SSeries Sizing Die in accordance with the manufacturer's instructions.
- Ensure that the die is compatible with your reloading equipment before use.
- Keep the die out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before use.
- Do not use the die if it is damaged or malfunctioning.
- Store the die in a dry and secure location when not in use.
- Follow all local laws and regulations regarding reloading and ammunition.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, while using the die.
- Be aware of your surroundings and ensure your workspace is clean and organized to prevent accidents.
- Avoid distractions while using the die to maintain focus and safety.
- Use the die only for its intended purpose; do not modify or alter the die in any way.
- Ensure that the die is securely mounted in your reloading press before operation.
- When changing mandrels or making adjustments, always ensure the die is not under pressure.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is clean and free of debris.
- Select the appropriate shellholder compatible with the ZERO SSeries Sizing Die.
- Insert the die into the press and tighten securely to prevent movement during operation.
- Attach the Area 419 ZERO Universal Die Ring to ensure proper alignment.

### 2. Usage:

- Begin by selecting the correct neck tension mandrel based on your reloading specifications.
- Follow the manufacturer's instructions for adjusting the die to achieve the desired sizing.
- Place the cartridge case in the shellholder and raise the ram to engage the die.
- After sizing, lower the ram and remove the cartridge case.
- Inspect the sized case for proper dimensions and any signs of damage.

### 3. Postusage:

- After using the die, clean it thoroughly to remove any debris or residue.
- Store the die in its original packaging or a secure container to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or unusable components of the die in accordance with local regulations.
- Do not dispose of the die in regular household waste. Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the ZERO SSeries Sizing Die, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with the ZERO SSeries Sizing Die. Thank you for your attention to safety and for choosing our product.
